For the Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

This remedy is offered to the community with the confidence we feel in an article which seldom fails to realize the happiest effects that can be desired. So wide is the field of its usefullness and so numerous the cases of its cures, that almost every section of the country abounds in persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. When once tried, its superiority over every other medicine of its kind, is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs, which are incident to our climate. And not only in the formidable attacks upon the lungs, but for the milder varieties of Colds. Coughs, Hourseness, &c . and for Children it is the pleasantest and safest medicine, that can be obtained. No family should be without it, and those

who have used it, never will. Real the opinion of the following Gentlemen, who will be recognized in the various sections of country where they are located-each and all as merchants of the first class and of the highest character-as the oldest and most extensive Wholesale Dealers in Medicine with an experience unlimited on the subject of which they speak. If there is any value in the judgment of experience, see

THIS CEATIFICATE. We the undersigned, Wholesale Druggists, having been long acquainted with Ayer's Cherry Pectoral, hereby certify our belief that it is the best and most effectual remedy for Pulmonary Complaints ever offered to the American People -And we would, from our knowledge of its composition, and extensive usefulness, cordially commend it to the afflicted as worthy their best confidence, and with the firm conviction that it will do for their reliefall that medicine can do.

# THE TRUE DIGESTIVE FLUID, OR, GASTRIC JUICE.

Prepared from RENNET, or the fourth STOM. ACH OF THE OX, after directions of BARON LIEBIG, the great Physiological Chemist, by J. S. HOUGHTON, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice. Half a teaspoonful of PEPSIN, infused in was

PEPSIN is the chief element, or Great Digesting Principle of the Gastric Juice-the Solvent of the Food, the Purifying, Preserving, and Stimulating Agens of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing cases of Dobility, Emaciation, Nervous Decline, and Dyspeptic

Dr. Houghton's Persin has produced the most marvellous effects, incuring cases of Debility, Emasiation Nervous Decline, and Dyspeptic Consumption.
