A new and brilliant light has lately arisen and now stands high in the horizon, shedding its golden light of hope upon the despairing minds of the bed-ridden and afflicted with pain, like the bursting forth of the congenial rays of the sun upon the cold, dismal regions of the frigid zone. The three letters which head this paragraph is the signification of

RHEUMATISM—Its Cause, Treatment and cure.

ALL RHEUMATIC PAINS INSTANTLY CURED BY RADWAY'S READY RELIEF

Rheumatism arises from different causes, but most generally proceeds from Colds, exposure to cold damp weather, and sleeping in damp apartments. Mr. R. who resides at 96, Socket street, Brooklyn, on Monday night, Feb. 20th, coughed for two hours without one moment's relief. His throat, chest and bones were very sore, and his expectoration painful and difficult. He had used nearly half a bottle of Pulmonic Syrup, without deriving the slightest benefit. He thought he would try Radway's Ready Relief—he took a flannel, wet it well with the Relief, and laid it over his chest and around his throat, in a few moments the coughing ceased, the pain was relieved and he could expectorate freely, in ten minutes he was sound asleep, and arose in the morning as well as ever. Thousands who are now suffering with Coughs and Cold, Sore Throat, Hoarseness, &c., will be speedily relieved if they will give Radway's Ready Relief one trial. SOMETHING NEW.

A. S. WILLIS

HAS just received a number of FISK'S PATENT METALLIC BURIAL CASES, which he offers to the public for about the same price as fine Mahogany Coffins. Several gentlemen have called to see them and pronounce them far superior to Wood Coffins of any kind. Read the following which is considered a sufficient recommendation:

WASHINGTON, April 5th.

Messrs. FISK and RAYMOND,

Gentlemen:—We witnessed the utility of your ornamental "Patent Metallic Burial Case," used to convey the remains of the Hon. John C. Calhoun to the Congressional Cemetery, which impressed us with the belief that it is the best article known to us for transporting the dead to their final resting-place.
