**DUDLEY'S  
ANTI-RHEUMATIC OIL.**  
*A certain and speedy Cure for Chronic Rheumatism  
Spasms of the Muscles Ligaments, and Bath, and  
Sprains, Bruises and Contusions.*

HE history of this invaluable medicine is re-  
markable. It has risen into notice, and estab-  
lished a high and just reputation in the region of  
country where it has been tried, since the sur-  
prising and numerous cures it has effected. The  
Proprietor, Dr. Samuel Dudley, Hospital Surgeon,  
on the Island of Portsmouth, North Carolina, has  
used it with unflinching success, both in the Hospital  
and in his private practice about twenty years.—  
During that period it has been attracting public at-  
tention, and gradually rising into general and high  
reputation in all that region of country, solely, by  
the surprising certainty of the cures it has uniformly  
effected. Until very recently, it has never been  
advertised, nor have any pains been taken to extend  
its celebrity. Its high reputation therefore is per-  
manent, because it is based upon surprising and  
unfading experiments alone. The Proprietor en-  
couraged by its eminent success in cases of Chronic  
Rheumatism, and by the advice of his friends, and  
he will add actuated by a desire to extend as far as  
possible the benefits of its healing properties, is now  
taking measures to make its wonderful properties  
more generally known. All he asks is a fair trial  
it is now offered to the afflicted in the Eastern por-  
tion of North Carolina. The proprietor is per-  
fectly willing to put the result of its success or fail-  
ure upon its success or failure in curing or failure  
to cure any case of Chronic Rheumatism, or other  
affection for which it is recommended.  
Certificates from highly respectable sources like  
the following, can be multiplied to almost any ex-  
tent. A few are appended.  
The following has been politely furnished by that  
highly esteemed citizen, Col. Joshua Tayloe of  
Beaufort county, N. C. well known as a valuable  
Member of our State Senate, and at present Collec-  
tor of the Port of Ocracoke North Carolina:—  
"At the request of Dr. Samuel Dudley of Ports-  
mouth, North Carolina, I state that some years ago  
one of my sons had a severe and protracted attack  
of Rheumatism, and by using his "Anti-Rheuma-  
tic Oil" he was relieved.  
It gives me great pleasure also to say, that besides  
this case, I have heard of others which convince me  
that this oil is very valuable in cases of Rheuma-  
tism.  
**JOSHUA TAYLOE,**  
Washington, N. C., June 28, 1848.

The High Sheriff of the County of Carteret has  
placed the following at the proprietors disposal:—  
"This may certify, that I have been for many years  
afflicted with Rheumatism, and recently had an  
attack in the neck, and by the application of "Dud-  
ley's Anti-Rheumatic Oil," only three times, was in  
a few hours perfectly relieved.  
**GEORGE DILL.**  
Beaufort, N. C. Sept. 1848.

The following letter is from a respectable Drug  
gist, I. Disosway, of Newbern, North Carolina.  
**Dr. S. Dudley,**  
Dear Sir,—I have sold out almost all of the  
Anti-Rheumatic Oil sent me, and as I do not wish  
to get out of it, I should be glad if you would send  
me another supply. I can speak in the most deci-  
ded terms in reference to the merits of the Oil—  
I have never known it to fail. It has been used by  
one of my clerks with the best results.  
I know of a person who has been unable to move  
a foot without assistance who was cured in less  
than three days, and with using one bottle only.—  
I can recommend it with confidence, and shall be  
no opportunity of so doing.  
Yours, &c.

**LOST.**  
LEFT the premises of the subscriber on Friday  
the 30th of April last, a small negro boy, be-  
tween 10 and 11 years of age, named DAVE. He  
is four or four and half feet high, has a high  
forehead, and is looking at you slightly, but per-  
ceptibly throws his head backward. In talking  
his articulation is imperfect on the account of be-  
ing tongue-tied (as it is called) and owing perhaps  
to other natural defects. When last seen, he was  
without hat or jacket. He may be wandering  
about, and perhaps in consequence of the defect  
of his speech, not be able to make himself under-  
stood. I forewarn all persons whatsoever from  
stealing, or in any manner unlawfully detain-  
ing him, so that he cannot return home. A liberal  
reward will be given to any person finding and  
bringing him to me, or sending me word where he  
is, so I get him.
