**DUDLEY'S
ANTI-RHEUMATIC OIL.**
A certain and speedy Cure for Chronic rheumatism,
Spasms of the Muscles, Ligaments, and Bath, and
Sprains, Bruises and Contusions.
THE history of this invaluable medicine is re-
markable. It has risen into notice, and estab-
lished a high and just reputation in the region of
country where it has been tried, alone from the sur-
prising and numerous cures it has effected. The
Proprietor, Dr. Samuel Dudley, Hospital Surgeon,
on the Island of Portsmouth, North Carolina, has
used it with unflinching success, both in the Hospital
and in his private practice about twenty years—
During that period it has been attracting public at-
tention, and gradually rising into general and high
reputation in all that region of country, solely by
the surprising certainty of the cures it has uniform-
ly effected. Until very recently, it has never been
advertised, nor have any pains been taken to extend
its celebrity. Its high reputation therefore is perma-
nent, because it is based upon surprising and
unfading experiments alone. The Proprietor en-
couraged by its eminent success in cases of Chronic
Rheumatism, and by the advice of his friends, and
he will actuated by a desire to extend as far as
possible the benefits of its healing properties, is now
taking measures to make its wonderful properties
more generally known. All he asks is a fair trial.
It is now offered to the afflicted in the Eastern por-
tion of North Carolina. The Proprietor is per-
fectly willing to put the result of its success or fail-
ure upon its success or failure in curing or failure
to cure any case of Chronic Rheumatism, or other
affection for which it is recommended.
Certificates from highly respectable sources like
the following, can be multiplied to almost any ex-
tent. A few are appended.
The following has been politely furnished by that
highly esteemed citizen, Col. Joshua Tayloe of
Beaufort county, N. C. well known as a valuable
Member of our State Senate, and at present Collec-
tor of the Port of Ocracoke North Carolina:—
"At the request of Dr. Samuel Dudley of Ports-
mouth, North Carolina, I state that some years ago
one of my sons had a severe and protracted attack
of Rheumatism, and by using his "Anti-Rheuma-
tic Oil" he was relieved.
It gives me great pleasure also to say, that besides
this case, I have heard of others which convince me
that this oil is very valuable in cases of Rheuma-
tism.
JOSHUA TAYLOE.
Washington, N. C., June 28, 1848.

The High Sheriff of the County of Carteret has
placed the following at the proprietors disposal:—
"This may certify, that I have been for many years
afflicted with Rheumatism, and recently cured by
Dudley's Anti-Rheumatic Oil, only three times, was
in a few hours perfectly relieved.
GEORGE DILL.
Beaufort, N. C. Sept. 1848.

The following letter is from a respectable Drug-
gist, I. Disosway, of Newbern, North Carolina.
Dr. S. Dudley.
Dear Sir,—I have sold out almost all of the
Anti-Rheumatic Oil sent me, and as I do not wish
to get out of it, I should be glad if you would send
me another supply. I can speak in the most dec-
larated terms in reference to the merits of the Oil—
I have never known it to fail. It has been used by
one of my clerks who has been unable to move
a foot without assistance who was cured in less
than three days, and with using one bottle only—
I can recommend it with confidence, and shall take
no opportunity of so doing.
Yours, &c

LOST.
LEFT the premises of the subscriber on Friday
the 30th of April last, a small negro boy, be-
tween 10 and 11 years of age, named DAVE. He
is four or four and half feet high, has a high
forehead, and in looking at you slightly, but per-
ceptibly throws his head backward. In talking
his articulation is imperfect on the account of
his tongue-tied, (as it is called) and owing perhaps
to other natural defects. When last seen, he was
without hat or jacket. He may be wandering
about, and perhaps in consequence of the defect
of his speech, not be able to make himself under-
stood. I forewarn all persons whatsoever from
secretly, or in any manner, unlawfully detain-
ing him, so that he cannot return home. A liberal re-
ward will be given to any person finding and
bringing him to me, or sending me the word where
he is, so I get him.
