ANTI-RHEUMATIC OIL. A certain and speedy Care for Chronic heumatism

Spasms of the Muscles Ligaments, and Bath, and Sprains, Bruises and Contumons.

HE history of this invaluable medicine is re. markable. It has risen into notice, and estalished a high and just reputation in the region o country where it has been tried, aione from the surprising and numerous cures it has effected. The Proprietor, Dr. Samuel Dudley, Hospital Surgeon, on the Island of Portsmouth, North Carolina, has used it with unfailing success, both in the Hospital and in his private practice about twenty years .-During that period it has been attracting public attention, and gradually rising into general and high reputation in all that region of country, solely, by the surprising certainty of the cures it has uniform ly effected. Until very recently, it has never been advertised, nor have any pains been taken to extend its celebrity. Its high reputation therefore is permanent, because it is based upon surprising and unfailing experiments alone. The Proprietor encouraged by its eminent success in cases of Chronic Rheumatism, and by the advice of his friends, and he will add actuated by a desire to extend as far as possible the benefits of its healing properties, is now taking measures to make its wonderful properties more generally known. All he asks is a fair trial It is now offered to the afflicted in the Eastern portion of North Corolina. The proprietor is perfeetly willing to put the result of its success or failure upon its success or failure in curing or failure | Halves \$37, Quarters \$18,50 to cure any case of Chronic Rheumatism, or other
