MIDLAND NORTH CAROLINA SYSTEM.

Meeting at Beaufort Harbor.

[Beaufort Telephone.]

At a meeting of the citizens assembled at the City Hall, on Wednesday, Sept. 28th, at 7 p. m. John D. Davis was elected chairman and L. A. Potter was chosen Secretary. The chairman stated the object of the meeting to be, to give expression to their views on the fight now going on between the Midland and Richmond and Danville Railroads. After remarks by various citizens the following preamble and resolutions were unanimously adopted.

Whereas, The encroachments upon the rights and disregard of the interests of the people of North Carolina, by the Richmond and Danville Railroad Company have reached a point when the people should express their disapprobation, and

Whereas, We believe, that by a failure to complete the line and branches of the Western North Carolina Railroad within the time allowed by the State authorities, they of right should and have forfeited their claim to the ownership of said road, and

Whereas, Senator Z. B. Vance has by his earnest efforts to secure to the citizens of North Carolina generally and the people of Eastern North Carolina especially, the benefits of a North Carolina System of Railroads, incurred the displeasure of the said Richmond and Danville Corporation and their friends. Therefore, resolved:

1st. We earnestly request our State authorities and the Board of Commissioners for said Western Railroad, to use every lawful endeavor to secure for Wm. J. Best and the Midland Railroad the Western North Carolina Railroad with its franchises and privileges.

2nd. That it is the duty of every citizen in Eastern North Carolina to use his influence to secure a connected and continuous line of railroad from the western line of North Carolina to Beaufort harbor.

3rd. That the thanks of this meeting of the citizens of Beaufort, are due and hereby tendered to our Senator Hon. Z. B. Vance for the stand he has taken for North Carolina in the fight now going on between W. J. Best, President of the Midland Railroad Company and President Buford of the Richmond and Danville Railroad Company.

4th. That we hereby tender to Gov. Jarvis and Treasurer Worth our thanks for the action they have latterly taken in the same fight and we feel that the lasting gratitude of the people of Eastern North Carolina is due to Gov. Jarvis for preventing the lease of the Atlantic Road to the Wilmington and Weldon Railroad Company at a time, too, when a large majority of the private stockholders were in favor of said lease.

5th. We hereby assure Mr. Best and the Company he represents of our sympathy and whatever aid we may be able to give him in his noble efforts to give us a North Carolina system of railroads from the sea shore across the mountains to Western Railroad connections, thus giving us greater commercial facilities and unifying the people of the State making of us one people in sentiment and interest and all working together for the best interest of our common Mother.

6th. That these resolutions be published in the Carteret County Telephone with a request that other State papers please copy.

On motion, adjourned.

L. A. POTTER, JNO. D. DAVIS,
Secretary. Chairman.
