# DAILY PROGRESS.

VOL. I. NEWBERN, N. C., SATURDAY MORNING, SEPTEMBER 11, 1858. NO. 7.

## PROSPECTUS OF THE NEW ERA, AND COMMERCIAL ADVERTISER.

The undersigned will commence the publication of a Journal with the above caption on Wednesday the 26th of July, to be continued every Saturday thereafter.

The political character of the New Era will be of the same caste as the Union, which expires with its present issue, namely Democratic.

The best energies of the proprietors will be directed to any and all measures tending to resuscitate the dormant powers of "Old Athens," and particularly to keep the people posted on what we are really doing.

The Farmer will find in the New Era a column from which he may glean some information in addition to his previous store of agricultural knowledge.

The Literary man, who we trust, discover that, in our selections, the constant aim will be to present nothing which can be unworthily the refined taste of an accomplished gentleman.

The Ladies—who, though mentioned last in this classification, have always held the first place in our affections—may be fully assured that, if any matters of interest capable of being construed by them as news, can be found in our rambles through the world of letters, we shall consider as prominent among our duties the gathering and placing before them all that may tend to elevate and improve the mind.

Terms Two Dollars a Year. J. H. MUSE, D. W. DAVIES, Newbern, July 16, 1858.

## PROSPECTUS OF THE "NEWBERN GAZETTE."

The subscriber respectfully informs the citizens of Newbern and the public, that he has made arrangements for the publication of one of the largest, neatest and cheapest newspapers in North Carolina.

It is designed as a Family and Literary Journal, and will be devoted to local and commercial news, the promotion of southern literature, science, art and general information.

The "GAZETTE" will be neutral in politics, but, at the same time, the editor will claim the prerogative of giving its readers items of political information.

The services of a valuable corps of contributors and reporters have already been engaged, many of whom rank among the most scientific writers in America.

The editor makes no boast that it will be "the best paper in the world," but earnestly and confidently commends it to the patronage of a liberal public, with the assurance that nothing shall be withheld to merit their warmest interest in its prosperity.

Any favor toward this laudable enterprise will be thankfully received and kindly reciprocated. Terms Two Dollars a Year in Advance. THOS. R. MURRAY, Editor and Proprietor, Sept 1

## MOSES' LETTERS.—A New Book.

Two of the Editors of the *Line Gazette* are now publishing a book, the title of which will be "LIFE AS IT IS, OR, THE WRITINGS OF 'OUR MOSE,'" which book will not only contain all the letters which have appeared in the *Gazette* over the signature of "Mose," but many others, rich, rare, and spicy, that have never been read.

The Editors deem it useless to say anything relative to the character of this New Book, not need the saying that it will be the most amusing work that has been issued in half a century, for, it need only be known that "Mose" wrote it, to satisfy all on these points. While it will be an amusing work, illustrated with proper designs and cuts to show up persons and things in their true light, it will be free from *vulgarity*, and will have for its chief object the correction of the many absurdities so prevalent in the present day.

It will be a book of over 160 pages, printed on good material, and bound in paper cover. PRICE FIFTY CENTS for single copies—Five copies to one address for \$2. No money required until the work is delivered, but those who wish a copy of this rare work should send in their orders at once. It will be ready for delivery in the course of a month. All our friends are requested to act as agents. Address WILKINSON & BUNTING, Editors *Line Gazette*, Raleigh, N. C. Sept 1-dtf

## SECOND VOLUME OF THE BEAUFORT JOURNAL.

A Commercial and Family Newspaper, PUBLISHED IN BEAUFORT, N. C.  
Beaufort Journal commenced its Second Volume on the 12th of April, 1858. The Journal being the only paper published on Beaufort Harbor, and the only one devoted to its interest, the Editor appeals to all who feel an interest in that locality, to give their support to his paper.

The Editor makes no hollow promises that his paper shall be the best in the country for the price, or that there will be any extra display of talent in its Editorial Columns, as is frequently the case in issuing Prospectuses for country papers, but he does pledge himself to publish a good paper—no worthy of a liberal support from the people of the State. It is the design of the Editor to make the Journal a first class Commercial Paper, to give reports of the Markets, Foreign and Domestic, the Latest News, &c.

The Journal will continue, as heretofore, independent on all subjects. It will take sides with no political party, but will advocate such measures as are thought best calculated to promote the interests of the country and of our State.

As to the different localities in this vicinity, it is not our object to show partiality, but to advocate the claims of Beaufort Harbor, and leave Beaufort, Morehead, and Carolina Cities to stand on their own merits—believing that more good can be accomplished in this way than in discussing the claims or advantages of localities—and we appeal to the citizens, those interested, and to the friends of these places, to give us their support.

The completion of the Atlantic & North-Carolina Railroad is near at hand, and it is very important that the only paper published on this Harbor should be widely circulating, in order that its Commercial advantages may become better known. Persons at a distance, who feel an interest in this place, will find the Journal to be very interesting, as we shall be careful to give all local news of any importance.

TERMS:  
One Copy one year, \$2 00  
Five Copies, " " " " " 8 00  
Ten, " " " " " 15 00  
The paper up of the club will be entitled to one copy gratis.

Advertisements inserted at the usual rates. A liberal deduction made for yearly advertisements. All communications must be addressed to JOHN NICHOLS, Ed. & Pro. Beaufort, N. C. Sept 1 dtf

## PROSPECTUS OF THE SOUTHERN STATESMAN.

BY HICKS & EVANS.  
In view of the great Destinations in the reading community, occasioned by the discontinuance of the Carolina Intelligencer and Cleveland Times, the subscribers propose to publish a weekly Newspaper in the town of Shelby, North-Carolina, to be devoted to Politics, Agriculture, General News, Education, Morality, Internal Improvements, Commerce and Miscellaneous.

In its political complexion the Southern Statesman will be the avowed advocate of the principles of Democracy, as expounded by Jefferson, Jackson, Polk and others, believing that under these principles, the union of the States and the perpetuity of our glorious form of Government will be more likely to be maintained than by any other party in existence.

Interest of those engaged in Agriculture, (the most noble and independent avocation on earth,) shall be duly attended to, by publishing, occasionally, valuable agricultural essays, as well as by giving, correctly, the prices of produce at the markets where our patrons will be mostly concerned.

## PROSPECTUS OF NORTH CAROLINA UNIVERSITY MAGAZINE.

The eighth Volume of this College Monthly commenced with the August number. The Editors will spare no pains to render it, while under their charge, worthy of support and patronage.

Each number shall consist of about fifty pages of original and choice matter. In the editorial of each number will be found, besides other articles, a monthly record of College and such other events, as may be deemed suitable.

This Magazine is entirely devoted to the cultivation of North Carolina Literature, and should have the support of every Carolina. A liberal subscription is much desired, as by its aid the Editors will be enabled to make several necessary improvements.

TERMS: \$2 per annum, in advance. Liberal reductions made to Clubs. Address: EDITORS UNIVERSITY MAGAZINE, Chapel Hill, N. C. Sept 1-dtf

## PROSPECTUS OF THE SCIENTIFIC AMERICAN.

VOLUME XIV. BEGINS SEPTEMBER 11, 1858.  
Mechanics, Inventors, Manufacturers and Farmers!  
The Scientific American has now reached its Fourteenth Year, and will enter upon a New Volume on the 11th of September. It is the only weekly publication of the kind now issued in this country, and has a very extensive circulation in all the States of the Union. It is not, as some might suppose from its title, a dry, abstruse work on technical science; on the contrary, it so deals with the great events going on in the scientific, mechanical and industrial worlds, as to please and instruct every one.

If the Mechanic or Artizan wishes to know the best machine in use, or how to make any substance or to employ in his business, if the Housewife wishes to get a receipt for making a good color, &c.—if the Inventor wishes to know what is going on in the way of improvements—if the Manufacturer wishes to keep posted with the times, and to employ the best facilities in his business—if the Man of Leisure and Study wishes to keep himself familiar with the progress made in the various departments of science, in the construction of telegraphs, steamships, railroads, reapers, mowers, and a thousand other machines and appliances, both of peace and war—all these desiderata can be found in the Scientific American, and not elsewhere. They are here presented in a reliable and interesting form, adapted to the comprehension of minds unlearned in the higher branches of science and art.

TERMS.—One Copy, One Year, \$2; One Copy, Six Months, \$1; Five Copies, Six Months, \$4; Ten Copies, Six Months, \$8; Ten Copies, Twelve Months, \$15; Fifteen Copies, Twelve Months, \$22; Twenty Copies, Twelve Months, \$28, in advance.

Specimen copies sent gratuitously for inspection.—Southern and Western money, or Postage Stamps, taken for subscriptions.  
Letters should be directed to MUNN & CO., 128 Fulton Street, N. Y.

MESSRS. MUNN & CO. are extensively engaged in procuring patents for new inventions, and will advise inventors, without charge, in regard to the novelty of their improvements. Sept 1-dtf

## HARPER'S MAGAZINE.

SEVENTEENTH VOLUME.  
The Publishers of Harper's New Monthly Magazine refer to the Sixteen Volumes already issued as the best assurance that no labor or expense will be spared to render it worthy of the liberal support which it has received. They believe that the Magazine now embraces in its general plan every thing essential to an attractive literary miscellany, adapted to the wants of the American Public. Its regular circulation has not been diminished even during the unexampled financial revulsion, which has proved disastrous to so many literary and commercial enterprises; and they are assured from every quarter that the Magazine is recognized as a necessity rather than a luxury. They therefore announce no "New Features" for the future. They will continue to fill the Magazine with articles incalculating sound views on the subjects of the day, leaving, as heretofore, the discussion of sectarian opinions in Religion, and sectional questions in Politics to their own appropriate organs. Wise men and true patriots agree upon points far more numerous than those upon which they differ. The object of the Magazine will be to unite rather than to separate the views and feelings of the people of our common country.

The Publishers do not find it necessary or expedient to appeal to public attention by issuing "Specimen Numbers" containing an unusual amount of matter or illustrations. They intend that every Number shall prove the Magazine to be the best and cheapest periodical published. It will contain a larger amount of matter, more numerous and better illustrations, printed in a better manner, than any other Monthly Magazine; and the Publishers are confident that it will deserve and receive the same cordial appreciation and liberal patronage which have been accorded to it during the Eight years of its publication. Sept 1-dtf

## DAILY PROGRESS.

SATURDAY MORNING, SEPTEMBER 11, 1858.

### North Carolina.

FEED HIM.—The editor of the Salisbury Banner appeals to his patrons to feed him. Hear the appeal: "We want vegetables, particularly Irish Potatoes; and as it seems almost impossible to get money, we shall take it as a great favor if some of our thoughtful patrons will hurry to town and pay their dues in vegetables. We would be glad now to exchange our labor for Irish Potatoes, from a peck to twenty bushels. Hurry along, then, if you would do us kindness."

O. C. G.'s.—The Oak City Guards, says the Giraffe, "paraded in full uniform on Friday evening last, Capt. Tucker commanding. Their appearance was fine and evolutions beautiful. It is a noble Company, and commanded by a worthy Captain. May they long continue to guard our city."

MORALITY.—The Banner and Watchman are discussing the morality of Salisbury. Our own impressions are that it is a clever place, notwithstanding there are a few fast young men there.

REVIVAL.—A very interesting revival is going on at the mission chapel in Raleigh, and many among the poor and dissolute are being converted.

### Miscellaneous.

CABLE RHETORIC.—The Atlantic telegraph gives birth to an entirely new set of trope and figures. Rev. Mr. Gregg, of New York, preached a cable sermon last Sunday, in which he used it after this style: "When the sulphuric acid of true repentance corrodes the contaminating zinc of innate depravity and actual sinfulness, the fervent electrical force of prayerful entreaty," &c. Again, "go to the telegraphic office of the atoning cross, and touch the wire of penitential prayer."

A Havana correspondent of the Charleston Courier writes:—"There are five Spanish men-of-war sunk just in the mouth of this harbor. Two of them have been there ever since the British forces achieved the conquest of this Island. I learn, from reliable authority, that an American engineer has made an offer of twenty-thousand dollars for the five ships and their contents, to the authorities of this island."

A GIRL RESCUED FROM THE MORMONS.—An interesting case was lately tried before Judge Eckels at Great Salt Lake City, for three days, on a writ of habeas corpus, brought on behalf of an Englishman named Polydore, to recover the custody of his daughter, who was carried to Utah by her mother, and was then in the family of one of the Mormon elders. The girl was delivered up to the United States marshal to be remanded to her father.

THE CHESS CONTEST.—The match between Messrs. Morphy and Lowenthal has been delayed on account of the illness of Mr. L. But one game had been played since our last notice, which was scored by Mr. Lowenthal, who now has three games against Mr. Morphy's seven, and one drawn. We learn from the London Era that a short match has been arranged between Mr. Morphy and Rev. J. Owens.

ATTEMPTED SUICIDE.—A young lady of Nashville, highly esteemed, attempted to commit suicide in that city on Saturday last, by jumping into the river. A gentleman who witnessed the rash act rescued her. No cause assigned, nor name given by the Nashville papers.

RESCUED.—A young girl only 14 years of age, was rescued from a Washington brothel, a few evenings since by a police officer and the mother of the unfortunate. The officers report three or four more young girls in the same establishment from 13 to 16 years of age.

A MINISTER HORRIBLY MALTREATED.—The Rev. Mr. Thruston, presiding elder of a Methodist Episcopal camp meeting, held at New Market, Mass., was knocked down and stamped, on Tuesday night, by a gang of rowdies who attempted to break up the services.

The last words of the Old Testament are a fearful threatening—"Lest I come and smite the earth with a curse." The last words of the New Testament are a benediction—"The grace of our Lord Jesus Christ be with you all. Amen."

WHAT NAMES.—In Warfordsburg, last Saturday evening, a Mr. Hellright was married to Miss Julia Hellright, both of Oldtown, Md. They purpose to entail Hellrights on the next generation, so as to raise a pious crop of people.

EDUCATION.—The unostentatious State of North Carolina disbursed from its literary fund, for the support of schools and for the education of deaf and dumb children, during the years 1855 and 1856, the sum of \$396,665.

LITTLE MATTIE.—Ex-President Martin Van Buren is on a visit to New York. He looks younger and is more active than when at the White House, twenty years ago.  
Hon. F. K. Zollieffer, member of Congress from the Nashville, district, Tennessee, has been appointed President of the Nashville and Chattanooga Railroad.  
COTTON FACTORY CONTEMPLATED.—The establishment of a cotton factory in Norfolk is contemplated.  
It is stated that the Montreal celebration of the success of the Atlantic Telegraph rivaled that in New York.  
The author of the following lines left for California:  
When lovely woman veils her bosom  
With muslin fashionably thin,  
What man with eyes could e'er refuse 'em  
From casually peeping in?  
And when his ardent gaze returning,  
The dry goods heave too deep drawn sighs,  
Would not his finger ends be burning  
To press—his hat down o'er his eyes?

AWFUL.—Youngster, spare that girl!  
Kiss not those lips so meek!  
Unruffled let the fair locks curl  
Upon the maiden's cheek!  
Believe her quite a saint,  
Her looks are all divine,  
Her nose has a point,  
Her form is ermine.
