PAPERS AND PERIODICALS.

THE CHEAPEST PAPER IN THE STATE.

PROSPECTUS OF THE NEWBERN WEEKLY PROGRESS.

A Commercial and Business Newspaper, intended for the Counting Room, the Work Shop, and the Family Circle.

To be issued at Newbern, N. C., ON OR ABOUT THE FIRST OF OCTOBER, 1858.

At \$1 50 a Year, Invariably in Advance!

The Editor of the "Daily Progress," knowing that the mail facilities do not enable many persons in Craven and the adjoining counties to avail themselves of the advantages of a Daily Paper, has determined to issue, about the first of October, a Weekly Edition, intended for country circulation.

The "Newbern Weekly Progress" will be devoted to the great Commercial, Agricultural, Manufacturing and Educational Interests of the State, and to the building up and fostering of all her interests.

Each number will contain a full and reliable Report of Home and Foreign Markets, carefully compiled and arranged, with the principal editorials of the daily issue, and a choice selection of Miscellaneous and Literary reading.

It will be the same size of the "Daily Progress," but as each number will contain three or more pages of reading matter, the quantity will be larger than is given in a majority of the weeklies in the State.

Issuing the Weekly Edition from a Daily Office, we can afford it cheaper than it could possibly be done under other circumstances.

TERMS—INVARIABLE IN ADVANCE: Single Copies, One Year.....\$1 50 To Clubs of 10, to One Office..... 1 25 To Clubs of 20 and over, to One Office..... 1 00

Any person sending us ten subscribers, with the subscription money (\$12 50) will receive one copy one year gratis. Agents for the Daily are requested to act as agents for the Weekly.

Send in your names immediately, so as to commence with the first issue.

Address J. L. PENNINGTON, Newbern, N. C.

Post Masters and others receiving this Prospectus, are requested to procure all the responsible names they can and send them to the Editor, at Newbern, by the 1st of October next.

NEWBERN, N. C., September 1, 1858.

Prospectus of "The States."

Which has now been published near seven months, has met with such success as to justify the Proprietor in enlarging the daily edition to the size of the Washington Union.

The States will continue to represent the sound constitutional principles of State rights, which have ever been upheld by the National Democracy, but it will not be so entirely political that its columns will interest the politician exclusively, nor so subservient to party as to betray principle at the command of power, or disguise its convictions at the suggestions of expediency.

In addition to the discussion of important political questions, its columns will be devoted to the proceedings of Congress, to current transactions of the Government, to general news, and matters of interest appertaining to Literature, Agriculture, and Commerce.

TERMS: The subscription price of the enlarged Daily will be: One copy for one year.....\$6 00 Two copies for one year..... 10 00 Tri-Weekly, one copy for one year..... 3 00

THE CHEAPEST PAPER IN THE SOUTH.

The Weekly is published in a large double sheet form, and is printed on superior paper, with handsome, bold type, at the following reasonable subscription:

Per year, Single copies.....\$2 00 Two copies..... 3 00 Five copies..... 7 00 Ten copies, to one address, and any larger number at the rate of \$1 per year..... 10 00

Ten copies, to the address of each subscriber, and any larger number, at \$1, 20 each..... 12 00

Any Postmaster, clerk, or other person, who may send five subscribers, with \$7 enclosed, will receive one extra copy.

Payment in all cases is required invariably in advance, and no papers will be forwarded until the receipt of the money.

EXTRA NOTICE.

As Congress will soon assemble, and as it is expected that it will be one of the most important and interesting sessions ever convened in the Metropolis, it must be an object with persons at a distance to secure the earliest and most reliable intelligence from the Capital.

In order, therefore, to oblige those who desire to subscribe for a paper published in Washington City, during the session of Congress, we propose to furnish the Weekly States on the following terms:

FOR THREE MONTHS. Two copies.....\$1 00 Five copies..... 2 00 Ten copies..... 3 00

FOR SIX MONTHS. One copy.....\$1 00 Five copies..... 2 00 Ten copies..... 3 00

The Proprietor of the States was one of the original founders of the Washington Union, and his long newspaper experience, before and since the establishment of that paper, justifies him in promising a paper well worthy of their patronage.

JOHN P. BEISS, Proprietor.

DAILY PROGRESS.

VOL. I. NEWBERN, N. C., FRIDAY MORNING, SEPTEMBER 17, 1858. NO. 12.

PROSPECTUS OF THE NEW ERA, AND COMMERCIAL ADVERTISER.

The undersigned will commence the publication of a Journal with the above caption on Wednesday the 29th of July, to be continued every Saturday thereafter, the regular issue of which may be relied on.

The political character of the NEW ERA will be of the same caste as the Union, (which expires with its present issue), namely Democratic.

The best energies of the proprietors will be directed to any and all measures tending to resuscitate the dormant powers of "Old Athens," and particularly to keep the people posted on what we are really doing; with this determination, they will furnish a faithful record of all statistics which may be in their power to obtain, in addition to any commercial information which can conduce to the welfare of our mercantile interests.

The Farmer will find in the NEW ERA a column from which he may glean some information in addition to his previous store of agricultural knowledge.

The Literary man, will we trust, discover that, in our selections, the constant aim will be to present nothing which can be unworthy the refined taste of an accomplished gentleman.

The Ladies—who, though mentioned last in this classification, have always held the first place in our affections—may be fully assured that, if any matters of interest capable of being construed by them as "news" can be found in our rambles through the world of letters, we shall consider as prominent among our duties the gathering and placing before them all that may tend to elevate and improve the mind, whether considered in the relation of sisters, mothers, wives or daughters; pledging ourselves that there never shall be found in our paper—in any department, or on any consideration—a word or syllable to offend the delicacy of the most amiable and virtuous of the sex; for, as we design the NEW ERA to be a herald of the growing prosperity of our town, so we also desire to be able to chronicle the evidences of her morality.

Terms Two Dollars a Year. J. H. MUSE, D. W. DAVIES, Newbern, July 16, 1858.

PROSPECTUS OF THE "NEWBERN GAZETTE."

The subscriber respectfully informs the citizens of Newbern and the public, that he has made arrangements for the publication of one of the largest, neatest and cheapest newspapers in North Carolina.

It is designed as a Family and Literary Journal, and will be devoted to local and commercial news, the promotion of southern literature, science, art and general information.

The "GAZETTE" will be neutral in politics, but, at the same time, the editor will claim the prerogative of giving its readers items of political information.

The services of a valuable corps of contributors and reporters have already been engaged, many of whom rank among the most scientific writers in America.

The editor makes no boast that it will be "the best paper in the world!" but earnestly and confidently commends it to the patronage of a liberal public, with the assurance that nothing shall be withheld to merit their warmest interest in its prosperity.

Any favor toward this laudable enterprise will be thankfully received and kindly reciprocated.

Terms Two Dollars a Year in Advance. THOS. R. MURRAY, Editor and Proprietor.

MOSE'S LETTERS.—A New Book.

The Editors of the *Live Gossip* are now publishing a book, the title of which will be "LIFE AS IT IS; OR, THE WRITINGS OF 'OUR MOSE,'" which book will not only contain all the letters which have appeared in the *Gossip* under the signature of "Mose," but many others, rich, rare, and spicy, that have never been read.

The Editors deem it useless to say anything relative to the character of this New Book, nor need they say that it will be the most amusing work that has been issued in half a century, for, if need only be known that "Mose" wrote it, to satisfy all on these points. While it will be an amusing work, illustrated with proper designs and cuts to show up persons and things in their true light, it will be free from *Vulgarity*, and will have for its chief object the correction of the many absurdities so prevalent in the present day.

It will be a book of over 160 pages, printed on good material, and bound in paper cover.

PRICE FIFTY CENTS for single copies—Five copies to one address for \$2. No money required until the work is delivered, but those who wish a copy of this rare work should send in their orders at once. It will be ready for delivery in the course of a month. All our friends are requested to act as agents. Address WHITAKER & BENTLEY, Raleigh, N. C.

Second Volume OF THE BEAUFORT JOURNAL.

A Commercial and Family Newspaper, PUBLISHED BY BEAUFORT, N. C.

The "Beaufort Journal" commenced its Second Volume, on the 12th of April, 1858. The Journal being the only paper published on Beaufort Harbor, and the only one devoted to its interest, the Editor appeals to all who feel an interest in that locality, to give their support to his paper.

The Editor makes no hollow promises that his paper shall be the best in the country for the price, or that there will be any extra display of talent in its Editorial Columns, as is frequently the case in issuing Prospectuses for country papers, but he does pledge himself to publish a good paper—one worthy of a liberal support from the people of the State. It is the design of the Editor to make the Journal a first class Commercial Paper, to give reports of the Markets, Foreign and Domestic, the Latest News, &c.

The Journal will continue, as heretofore, independent on all subjects. It will take sides with no political party, but will advocate such measures as are thought best calculated to promote the interests of the country and of our State.

As to the different localities in this vicinity, it is not our object to show partiality, but to advocate the claims of Beaufort Harbor, and leave Beaufort, Morehead, and Carolina Cities to stand on their own merits—believing that no good can be accomplished in this way than in discussing the claims or advantages of localities—and we appeal to the citizens, those interested, and to the friends of these places, to give us their support.

The completion of the Atlantic & North-Carolina Railroad is near at hand, and it is very important that the only paper published on this Harbor should be widely circulated, in order that its Commercial advantages may become better known. Persons at a distance, who feel an interest in this place, will find the Journal to be very interesting, as we shall be careful to give all local news of any importance.

TERMS: One Copy one year.....\$2 00 Five Copies..... 8 00 Ten..... 15 00

The paper up of the club will be entitled to one copy gratis.

Advertisements inserted at the usual rates. A liberal deduction made for yearly advertisements. All communications must be addressed to JOHN NICHOLS, Ed. & Pro. Beaufort, N. C. Sept 1, dtf

PROSPECTUS OF THE SCIENTIFIC AMERICAN.

Mechanics, Inventors, Manufacturers and Farmers! The Scientific American has now reached its Fourteenth Year, and will enter upon a New Volume on the 11th of September. It is the only weekly publication of the kind now issued in this country, and it has a very extensive circulation in all the States of the Union.

It is not, as some might suppose from its title, a dry, abstruse work on technical science; on the contrary, it so deals with the great events going on in the scientific, mechanical and industrial worlds, as to please and instruct every one. If the Mechanic or Artizan wishes to know the best machine in use, or how to make any substance employed in his business, if the Housewife wishes to get a receipt for making a good cake, &c.—if the Inventor wishes to know what is going on in the way of improvements—if the Manufacturer wishes to keep posted with the times, and to employ the best facilities in his business—if the Man of Leisure and Study wishes to keep himself familiar with the progress made in the chemical laboratory, or in the construction of telegraphs, steamships, railroads, reapers, mowers, and a thousand other machines and appliances, both of peace and war—all these desiderata can be found in the Scientific American, and not elsewhere. They are here presented in a reliable and interesting form, adapted to the comprehension of minds unlearned in the higher branches of science and art.

TERMS.—One Copy, One Year, \$2; One Copy, Six Months, \$1; Five Copies, Six Months, \$4; Ten Copies, Six Months, \$8; Ten Copies, Twelve Months, \$15; Fifteen Copies, Twelve Months, \$22; Twenty Copies, Twelve Months, \$28, in advance.

Specimen copies sent gratuitously for inspection.—Southern and Western money, or Postage Stamps, taken for subscriptions.

Letters should be directed to MUNN & CO., 128 Fulton Street, N. Y.

Messrs. MUNN & CO. are extensively engaged in procuring patents for new inventions, and will advise inventors, without charge, in regard to the novelty of their improvements. Sept 1-dtf

HARPER'S MAGAZINE, SEVENTEENTH VOLUME.

The Publishers of Harper's New Monthly Magazine refer to the Sixteen Volumes already issued as the best assurance that no labor or expense will be spared to render it worthy of the liberal support which it has received. They believe that the Magazine now embraces in its general plan every thing essential to an attractive literary miscellany, adapted to the wants of the American Public. Its regular circulation has not been diminished even during the unexampled financial revulsion, which has proved disastrous to so many literary and commercial enterprises; and they are assured from every quarter that the Magazine is recognized as a necessity rather than a luxury. They therefore announce no "New Features" for the future. They will continue to fill the Magazine with articles inculcating sound views in Life and Morals; leaving, as heretofore, the discussion of sectarian opinions in Religion, and sectional questions in Politics to their own appropriate organs. Wise men and true patriots agree upon points far more numerous than those upon which they differ. The object of the Magazine will be to unite rather than to separate the views and feelings of the people of our common country.

The Publishers do not find it necessary or expedient to appeal to public attention by issuing "Specimen Numbers" containing an unusual amount of every matter or illustration. They intend that the cheapest periodical published. It will contain a larger amount of matter, more numerous and better illustrations, printed in a better manner, than any other Monthly Magazine; and the Publishers are confident that it will deserve and receive the same cordial appreciation and liberal patronage which have been accorded to it during the Eight years of its publication. Sept 1-dtf Franklin Square, New York, August 3, 1858.
