A DUEL WITHOUT SECONDS.—The St. Martinsof our village, these two persons went, without seconds, but with guns well-loaded with buckshot, to the prairie behind St. Martinsville. WHAT IT IS TO "RUN FOR CONGRESS."-Gen. patronage (and Southerners generally, visiting this city.) As the design is to make this House in a Ohio District, made a speech at Toledo a few

nights ago, in which he said: "I have labored as I never labored before in my life-although I am known as a worker. Entering the contest in a District comprising ten doors from Broadway, in the immediate vicinity of counties, the largest in the State-and with a majority of three hundred against us, I have successfully concluded a canvass which I believe unequalled in point of labor in this or any other State, making, as I have inside of sixty working days, ninety-nine speeches, averaging in length two and a half hours each, and travelling in buggies, on horse back, and on foot, over fourteen

hundred miles, to say nothing of trips by railroad. STEALING A COFFIN.—Two men have been arrested in Wolverhampton, England, for stealing a coffin. The coffin was of copper, and worth \$300. The thieves took out the body, and left

it in the tomb, and sold the coffin for old copper. A TWENTY YEARS TRIAL.-In Henry "county, Ga., last week, a jury found Francis J. Gobia guilty for whipping a negro to death in 1844. He escaped justice by flying from the State at the WALTER'S NATIONAL HOTEL, time of the occurrence, and since the commission

of the deed has married and raised a family. THE ATLANTIC TELEGRAPH. The Atlantic Telegraph seems now to be generally given up on both sides the water. "Down among the deadmen" in the bottom of the sea, it is as dumb as the skeletons that lie around it, with not as much prospect of resurrection Very few tears, except those of stockholders, are shed over it, and on this side the water we shall be well content to wait for another enterprise, in which this country will not be imbecile enough to manufacture a lightning conductor which will enable Great Britain, whenever it suits her purposes to hurl her thunder bolts into the very centre of our citadel.
