TALENT SELECTED FOR EXCELLENT LYCEUM COURSE

Attractions for Season of 1920-21 Announced.

COURSE SURE TO PLEASE

Numbers Will Be Both Inspiring and Enjoyable—Season Ticket Sale Should Be Large.

The attractions which are to appear on the Lyceum course here this season have been announced. The various numbers have been especially well selected and everything points to a large sale of season tickets for the course.

The attractions were secured from the well known Redpath Lyceum Bureau, and this in itself is a guarantee of satisfaction.

People are more than eager this year for instructive, inspirational lectures and clean entertainment, and the splendid attractions to be heard here are sure of a hearty reception.

The numbers on the course are as follows:

- Wolcott-Ring Company.
- The New York Glee Club.
- The St. Claire Sisters.
- Hipple Concert Company.
- Alpine Yodelers

In next week's issue will be printed a short sketch of each of the above attractions. Watch for these sketches and acquaint yourself with the Lyceum course for the coming season.

COLORED TEACHERS' ASSOCIATION.

The October meeting of the Colored Teachers' Association will be held with the colored school in the town of North Wilkesboro on Friday, October 1st, at 1:30 o'clock. There will also be a Saturday morning session.

At each of these a forty-five minute period will be given to the study of "Freeland." The school law of the State makes attendance upon these meetings compulsory, and no one will be excused save for a providential hindrance. All teachers who have not had their certificates approved for 1920 must bring them with them to the meeting.

C. C. Wright,
County Supt. of Schools.
