DEATH OF MRS. ALBERT HENDRIX OF ELKIN—AGE 72 YEARS

Mrs. Hendrix was visiting her daughter, Mrs. B. B. Brown, of Burlington, when she passed away. For the past year she has been in failing health. About two months ago she decided to visit her children and had reached her youngest daughter's home, contemplating spending the winter with her, when she became critically ill with heart trouble, and died within a few days. Her death came as a shock to her family and friends. She lived on a beautiful farm in Elkin, one of nature's choice spots, plenty of fine timber and a number of springs on the estate. The home was surrounded with magnificent trees. Mrs. Hendrix made this lovely place her home rearing her children up to manhood and womanhood, her husband having died 17 years ago.

When a young woman she made a profession of religion and for over 55 years had a hope in Christ. She was a member of Temple Hill church.

She was formerly Miss Celia Woodruff, and was married October 3rd, 1869 to Mr. Albert Hendrix. Nine children, three sons and six daughters, survive the mother. Mrs. Hendrix departed this life on Monday and her body was brought to Elkin for interment, being accompanied by her daughter, Mrs. Brown and Pastor Buck of the First Baptist church.

The daughter's pastor, Rev. W. F. Staley, who was intimately known by the family, went down Wednesday to assist in the service. The funeral services were conducted at the home, in the presence of a large number of friends. The floral decorations were beautiful.

The following children were present: Mr. W. A. Hendrix, Ronda; Mr. Charles Hendrix, Asheville; Mr. Luther Hendrix, Jamestown; Mrs. E. A. Roughton, Winston-Salem; Mrs. J. E. Peterson, Winston-Salem; Mrs. J. B. Woodruff, Winston-Salem; Mrs. C. E. Neal, Stuart, Va.; Mrs. B. B. Brown, Burlington.

Mrs. Hendrix spent her last hours rejoicing in God, and praying for deliverance from this life. She suffered dreadfully but bore up under her trial with Christian patience. The last year she spent ripening for heaven, her mind seemed to be on the heavenly world and she talked much about leaving this life.

DEATH OF MRS. MARY REBECCA WRIGHT.

Mrs. Mary Rebecca Wright, widow of Joseph Wright died Monday of apoplexy at the home of her son, Mr. J. N. Wright, near Sanford, N. C., and the remains arrived here Wednesday.

Mrs. Wright was born April 10, 1843, being 77 years, 5 months and 10 days old. Surviving her are four children, two sons, Messrs. J. N. Wright, of Sanford, and W. E. Wright of Keyville, Va., and two daughters, Mrs. R. J. Bullis, of Sanford and Mrs. Ila C. Webster, of Iredell county. Surviving also are two brothers Burgess Forum, of Chico, Calif., Wright Forum, of Montezuma, Iowa, and one sister, Mrs. S. E. Mize of Turnersburg, Iredell county.

The funeral was conducted at Friendship Baptist church, of which she was a member, near Millers Creek, Wednesday afternoon, by Revs. S. N. Bumgarner and T. H. Eller, after which interment took place in the church cemetery. Mrs. Wright had been in very good health up until the time she was stricken, and her death came unexpectedly by close relatives. Accompanying the body here were Mrs. R. J. Bullis and son, Carl, and Mr. J. N. Wright.

HEILMAN-WELBORN

The following announcement has been received here and will be of much interest to our readers: Mr and Mrs. Robert Heilman announce the marriage of their daughter Zora Belle to Mr. William E. Welborn. Saturday, September eighteenth, nineteen hundred and twenty Ford City, Pennsylvania

Engagement of Miss Nell Horton and Dr. James P. Rousseau.

(Contributed.)

The announcement of the approaching marriage of these two deservingly popular young people has been received with a great deal of interest by their host of friends throughout the State, particularly so in the communities of Winston-Salem and Wilkesboro. Miss Horton is the youngest daughter of Dr. H. V. Horton and Mrs. Annie Cowles Horton, both families among the best and well-known in Western North Carolina. Dr. J. P. Rousseau is also a native of Wilkes county one of the oldest and most respected families in this section of the State, the youngest son of Mrs. Lila Rousseau and the late highly honored and esteemed James P. Rousseau. Dr. Rousseau, for so young a physician, has had an interesting and commendable career. He entered the University of North Carolina at the age of sixteen years, completing his medical course at the University of Maryland, the youngest student in his class. Immediately after graduating, he enlisted in the U. S. Navy, ranking as Junior 1st Lieutenant, and was assigned service at Navy Hospital, Charleston, S. C., where he achieved high standing and promotion, afterwards serving as interne in a New York City Hospital for contagious diseases, later locating at Winston-Salem to practice his profession. He was appointed city physician and also served as night resident physician at city hospital. We predict for this young man a life of great usefulness and the young couple will have the sincere good wishes for a long and happy life from residents and friends in this and adjoining counties.

DRINK HOT WATER IF YOU DESIRE A ROSY COMPLEXION

Says we can't help but look better and feel better after an inside bath.

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach.

Men and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphate hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.
