IN THE FIELD.

had to say had anything to do with that.

We were arguing there is as great need for the Alliance now as ever and we objected to being put down

as saying that the Alliance has performed its mission. We asked "the question if it had and answered it in

> Some democratic papers just go off into a spasmodic fit of joy over the fact that certain designing political schemers, no longer able to deceive required by the needs of commerce. and the like. the democratic party because there

were so many of their kind in that party more ade t than they, joined the populist and have been found to

be corrupt in the part they played in ciated themselves together for the prac-tice of Law, under the firm name of that party and have been denounced

> No wonder this is strange to a democrat who has been allowed to stay in his party when he opposed the principles advocated by his party. It is scarcely to be wondered, at that such a democrat should be anxious for political tricksters to remain in the populist party and corrupt it until people have no more faith in It than they have in the democratic party all festering with the poisonous cankering sores which it has managed

> > to keep concealed from view. Knowing the chagrin that party defeat brings to the above described democrat and how party success with
