A Disreputable Practice

which the people of the South are resenting, is the efforts of some to sell them imitations for the real Simmons Liver Regulator, because they make more money by the imitation; and they care little that they swindle the people in selling them an inferior article. It's the money they are after, and the people can look out for themselves. Now this is just what the people are doing, and merchants are having a hard time trying to get people to take the stuff they offer them in place of Simmons Liver Regulator—which is the "King of Liver Medicines," because it never fails to give relief in all liver troubles. Be sure that you get Simmons Liver Regulator. You know it by the same old stamp of the Red Z on the package. It has never failed you, and people who have been persuaded to take something else have always come back again to The Old Friend. Better not take anything else but that made by J. H. ZELIN & Co., Philadelphia.

Much of our space is devoted this week to a report of the proceedings of the county commissioners and the list of new magistrates, but as it is all newsy matter we know those who are interested in the county will appreciate it.

North Wilkesboro is bound to come—is bound to have a good hardware store. The entire stock of N. M. Allen is for sale and it is the best house and the best stand in North Wilkesboro. Here is a chance for a man with money and energy.

Mr. J. F. Hutchison has presented us with a curiosity in the shape of an egg. It is egg-shaped the shape of a gourd, only where the stem leaves the main body it tapers down and then bulges out again. Many of our people have examined it, and pronounce it a strange freak of nature.

The list of new magistrates has been received at last, as will be seen in another column. It will be a relief to the people of North Wilkesboro township to learn that the Douglassites made no provision for it at all, and it affords us a great deal of pleasure to omit it in publishing the list.

The following is a list of the pupils from abroad who are attending the North Wilkesboro Institute: Miss Mary Moseley and T. Wilborn, of Surry county; S. A. and W. L. Vest, of Forsyth county; Miss Hartie Ward, of Stokes county; Miss Eva Hayes, of Chatham county; Carlisle and Alonzo Warden, of Alleghany county; Miss Annie Dobbin, of Watauga county; Misses Grace and Maggie Dobbin, of Ashe county; Miss Queenie Colvard, of Reddies River; Johnnie Dowell, Miss Della Myers and F. G. Roberts, of Roaring River.

An Old Landmark Gone.

Mr. A. L. Rousseau, an aged citizen of Wilkesboro, died at his home early Thursday morning. He had been in feeble health for some time and his death was not unexpected. Had he lived until August he would have been 83 years old. He was a consistent member of the Methodist church and had been for many years; and was one of the oldest Masons in this section. He leaves nine children to mourn their loss, besides a host of relatives and friends. The funeral services were conducted from the Presbyterian church Sunday morning at 11 o'clock by Presiding Elder Barnett and Rev. P. L. Terrell, after which the Masons took charge of the remains and they were interred under the auspices of their impressive ceremony. Although a very inclement day, yet a large crowd of sorrowing friends were out to pay the last sad tribute of respect to one who they held in the highest esteem.

Alexander McGlamery.

On Sunday morning of last week Mr. James A. Alexander, of this place, and Miss Fannie McGlamery, daughter of Mr. Jesse McGlamery of Lewis Fork township, were united in marriage at the home of Esq. Will Fletcher, by that gentleman. It was a Gretna Green affair, and Mr. Alexander succeeded in stealing his blushing young bride the night before, much to the chagrin of the "old folks." To the happy couple THE NEWS extends its heartiest congratulations, and wishes them a long, happy and prosperous life.

I recommend Chamberlain's Pain Balm for rheumatism, lame back, sprains and swellings. There is no better liniment made. I have sold over 100 bottles of it this year and all were well pleased who used it.—J. F. Pierson, druggist, South Chicago, Ill. It is for sale by Dr. Geo. Doughton, Druggist.

A Painful Accident.

Mr. J. T. Wellborn, of Wilkesboro, met with a painful accident Thursday morning. He came over to the depot to get some leaf tobacco that come up on the freight, and, being in a hurry, he concluded, to help unload it. From some cause he fell from the car to the ground, with such force as to break the left shoulder. He was immediately carried to Doughton's drugstore and the Doctor proceeded to get it in position again. We are glad to learn that he is improving as fast as could be expected and hope he will soon regain the use of that member of the body.

The people will find at Allen's Hardware Store many articles they need; many things they ought to have, and now since all the stock has to be sold, it is not only your privilege but your duty to provide your homes with useful goods.

PETAINING TO ROAD MATTERS.

What County Commissioners Did in Regard to Some of the Roads.

The petition of R. W. Brock, and others, asking for amendments on Mineral Springs road from Moravian Falls to Mineral Springs, was heard and granted, and the following free holders appointed as jurors to lay off and locate same: W. G. Meadows, L. C. Jennings, R. W. Brock, J. M. Brock and T. Brown. The road is to be made with voluntary labor—no cost to county.

The report of J. J. Kilby, and others, appointed to lay off and locate a public road from North Wilkesboro incorporation line to Allen Whittington's, was approved, and the following overseers were appointed: Frelin Absher on the first section, beginning at the North Wilkesboro corporate line to the ford of the river at Aaron Brown's "neck" field, with all the land south of line from Geo. McNeill's via S. A. Bumgarner's to C. Berry Chutch's living within one mile of said section; 2d section, Wm. Higgins overseer from the last named point to its terminus with all hands north of the above described line, and south and east of the Jefferson road and a line north of Allen Whittington, living in one mile of said survey.

The report of W. H. Edmiston, overseer on the Mt. Zion road from Atkins shop to Lewis Fork creek, was received and the supervisors of Lewis Fork were ordered to appoint overseer with hands to work said road.

Changed His Mind.

Frank Page, a white man who works in McLean's harness shop, made a mild attempt to commit suicide Monday. He went to the home of Mr. C. L. Upchurch and said he wanted to lay down. He claimed that he had taken four bottles of laudanum, but later said that he had not taken but one. About 9 o'clock that night he began to get sick and come to the conclusion that he did not want to "shuffle off this mortal coil" just yet, and called for a physician. Dr. Horton soon arrived on the scene and at once discovered that it was not laudanum that was making him sick, but some of the "aforesaid regulator" that was getting in its work. He is about 35 years old and is from Winston, at which place he has a family.

Nervous People

And those who are all tired out and have that tired feeling or sick headache can be relieved of all these symptoms by taking Hood's Sarsaparilla, which gives nerve, mental and bodily strength and thoroughly purifies the blood. It also creates a good appetite, cures indigestion, heartburn and dyspepsia.

Hood's Pills are easy to take, easy in action and sure in effect. 25c.

It will be an agreeable surprise to persons subject to attacks of bilious colic to learn that prompt relief may be had by taking Chamberlain's Colic, Cholera and Diarrhoea Remedy. In many instances the attack may be prevented by taking this remedy as soon as the first symptoms of the disease appear. 25 and 50 cent bottles for sale by Dr. Geo. Doughton, Druggist.

To get out of debt I am going to close out my entire stock of hardware, and just as quick as I can, too. Now is your time to get goods cheap. I want to satisfy those I owe, and I need your money to do it with.—N. M. Allen.

The fact that Hood's Sarsaparilla, once fairly tried, becomes the favorite spring medicine, speaks volumes for its excellence and merit.

Compliments are healthful when taken in moderation.

Those who never read the advertisements in their newspapers miss more than they presume. Jonathan Kenison, of Bolan, Worth county, Iowa, who had been troubled with rheumatism in his back, arms and shoulders, read an item in his paper about how a prominent German citizen of Ft. Madison had been cured. He procured the same medicine, and to use his own words: "It cured me right up." He also says: A neighbor, and his wife were both sick in bed with rheumatism. Their boy was over to my house and said they were so bad that he had to do the cooking. I told him of Chamberlain's Pain Balm and how it had cured me, he procured a bottle of it and it cured them up in a week. 50 cent bottles for sale by Dr. Geo. Doughton, Druggist.
