TO THE MERCHANTS OF

Wilkes, Ashe, Alleghany, Alexander, Wafauga, Caldwell, and ADJOINING COUNTIES:

I have just returned fro New York where I bought the largest stock of goods ever brought to Northwestern North Carolina. This stock of goods was bought expressly for the jobbing trade, and I will sell them as cheap as any house in Baltimore or Echmond, with the freight added, and on a great many goods I will save the freight. To cash customers, I will give regular terms and discounts. I also take country produce at the highest market prices in exchange for goods, which is a great advantage to country merchants. I cordially invite all the merchants in the surrounding country to call and examine my
