

Attention Voters! Things to be Remembered.

Registration is not allowed on the day of election.

Every voter should ascertain before the day of election if his name is on the Registration books.

To vote for all the candidates, four tickets must be voted, and every ticket must be deposited in a different box.

The tickets must be printed or written, or partly printed and partly written, on a white paper.

Republicans should not touch or receive tickets from Democrats—but only from true and tried Republicans.

Democrats will give you the wrong tickets.

Be sure and deposit your ticket for Governor and State officers in the box designated for State officers.

Be sure and deposit your ticket for member of Congress in the box designated for member of Congress.

Be sure and deposit your ticket for State Senator and members of the House of Representatives in the box designated for members of the Legislature.

Be sure and deposit your ticket for Sheriff, County Commissioners, Treasurer, Coroner, Register of Deeds, Surveyor, in the box designated for county officers.

Candidates should make the people familiar with these points of the election law.

Hon. T. L. Clingman has entered the political war in the West.

Certainly. Mr. Clingman is a representative man and consistent leader of the Democracy.

The Conservative party went into power in 1870 pledged to retrench and reform, and here's the way they did it:

The books of the Auditor's and Treasurer's offices show that the impeachment trial cost the people of the State the enormous sum of sixty-one thousand five hundred and forty-eight dollars and fifty-five cents.

Three extra lawyers, 44 days, \$ 3,000 00 Reporting, 1 man and staff, 44 days, 4,375 00 Printing and stitching, 5,015 51 Paper, 2,840 40

Pay of witnesses, 5,655 29 Pay of members, 170 at \$5 per day, 87,400 00 Pay of clerks, doorkeepers, etc., 2,464 00 Fuel and lights, \$24 00, 41 cords wood, \$176 00, 200 00

Add, for a clerk and messenger for the lawyers, 350 00 And we have \$61,898 00

Gov. Graham, Gov. Bragg and Judge Merrimon received at the rate of \$22.72 1/2 per day each for their services to help seven other leading Conservative lawyers, appointed by the House, to prosecute Gov. Holden.

Seventeen thousand eight hundred and thirty dollars of this money was wasted or given away to party favorites.

Three thousand of it to extra high-priced lawyers to help seven others appointed by the House—who, it seems, couldn't help themselves.

Twelve thousand nine hundred and ninety dollars for making a book of the proceedings and speeches in the case, which the people will never see, unless they buy it from the Conservative Public Printer.

Are the Democrats ashamed of their record in the last Legislature? If not, why are the journals suppressed? The Legislature adjourned on the 12th day of last February, and the journals are not out yet.

The nomination of Horace Greeley, by the Baltimore Convention, is now beyond a doubt. It is as certain as was the nomination of Grant at Philadelphia.

That's right; hurrah for Greeley.—There are several reasons why Democrats should hurrah and throw up their hats for Greeley. We mention a few:—

I. Because Mr. Greeley was an original abolitionist.

II. Because Mr. Greeley has advocated every measure calculated to humiliate the Southern people and destroy their prosperity.

III. Because Mr. Greeley advocated the passage of the enforcement act and the suspension of the writ of habeas corpus. The bill was passed, and the Ku Klux Klan has been temporarily squelched.

IV. Because Mr. Greeley advocates the passage of Senator Sumner's civil rights bill, which Democrats solemnly declare provides for and will force social equality upon the people.

V. Because Mr. Greeley recently made a speech in Poughkeepsie, New York, in which he took ground for mixed schools,—that white and black children should be compelled to read out of the same books, sit on the same benches, and mingle together as all school children do.

VI. Because Mr. Greeley donated fifty dollars to defray the expenses of old John Brown's trial.

VII. Because Mr. Greeley is the author of "Old John Brown's Soul is Marching on."

VIII. Because Mr. Greeley is a leading member of the Union League of America.

IX. Because Mr. Greeley declares that all horse thieves are Democrats but all Democrats are not horse thieves.

—These are some of the reasons why Democrats should hurrah for Mr. Greeley. We have more of the same sort, which will appear hereafter.

A Contrast—Dockery—Vance.

Col. Dockery, by invitation, addressed the pupils at Troy High School, in Moore county, and delivered a real literary treat without referring to politics at all.

Yes, this Zebulon, who had women put in bull-pens in Randolph, and threatened in a private letter to visit the Union men of Wilkes county, with "fire and sword" because they would not die for a cause, they did not love, nor outrages decency by seizing such an occasion for a political harangue.

Devil in Disguise.

Democrats are just now attempting to disguise themselves by donning the garments of Liberal Republicanism.

Although the Democratic party is in the agonies of death, our State campaign is a direct struggle between the Republican and Democratic parties.

The Devilish disguise of Liberal Republicanism which the Democratic party has put on, will not deceive an honest Republican or Democrat who is a Democrat from principle.

Who told the Union men of this State in 1863 that they would be hustled from the polls when Lee's veterans returned from the war?

Gov. Caldwell at Yadkinville. We learn from a private letter that Gov. Caldwell and Col. Erwin addressed a large crowd with telling effect at Yadkinville on Wednesday.

W. B. Glenn, Esq., a talented young Republican of Yadkin is our candidate for the House of Representatives in that county, and is making a gallant canvass.

The sum of thirty-three hundred and thirty-eight dollars and fifty-nine cents was gouged out of the Public Treasury by The Sentinel printer.

The Secession Legislature of 1861 refused to buy a United States flag to fly over the Capitol, and so did the late Democratic Legislature.

The late Democratic Legislature paid a man ninety-nine dollars per day for forty-four days to report the proceedings of Gov. Holden's impeachment.

Don't believe anything the Conservative press or speakers may tell you.—They have a trick of getting up some great sensation stories—too late in the canvass to be contradicted, so as to gull and deceive the people.

When Vallandigham brought out his "New Departure," some wag dubbed those who gave into it the title of "Mulatto Democracy."

Who recommended that Swepson should be released from further prosecutions if he would pay back six cents in the dollar of what he had stolen from the State?

Let the people remember that Judge Merrimon, and other leading lawyers of the Conservative party, tried to get a test case before the Supreme Court of the United States, to overthrow the Homestead laws of North Carolina.

Who put the thumbs of Union men's wives under the fence, because they would not tell rebel officers where their husbands were concealed?

Don't scratch. Don't scratch a single name off the ticket. We are voting for principles, not men.

Judge Merrimon was a candidate for the Convention in Buncombe in 1865, and the people of that county knew him and so they told him they didn't want him to represent them.

Notification and Acceptance.

CHARLOTTE, N. C., June 7, 1872. HON. OLIVER H. DOCKERY, Richmond County, N. C.

Dear Sir:—It is my duty to inform you that at a Convention of the Republican party of the 6th Congressional District, held at Concord on the 6th inst., you were unanimously nominated as the candidate at the ensuing August election.

In discharging this duty, devolving on me as the President of the Convention, it affords me great pleasure to add that the Convention only endorsed the action of the people, who already pointed to you as the man to lead them to victory in the momentous struggle before us.

Trusting that you will accept the nomination made, and that you will enter at once on the canvass, I remain, Very truly, yours, &c.

W. B. LARRINGER, President, &c.

STATESVILLE, June 20, 1872. GEN. RUFUS BARRINGER, Pres't Republican Convention, Charlotte, N. C.

Dear Sir:—Your favor of the 17th inst., notifying me of my nomination to Congress by the Concord Convention, did not reach me until the 18th inst.

In regard to Revenue Reform various speeches made in Congress and elsewhere, will bear me out as having stood up for this most necessary measure, long before our Democratic friends had been the least sounded at.

It requires no argument to prove to you, General, and I hope yet to satisfy the people of the fact, that a Representative in accord with the national administration can be of more service to this District than one whose sole purpose is to clutter the air with his own black and white as he goes.

Yours truly, O. H. DOCKERY.

Judge Merrimon was a candidate for the Convention in Buncombe in 1865, and the people of that county knew him and so they told him they didn't want him to represent them.

"Kitchen and Parlor."

Again and again the same report of Col. McKay's speech at Clinton is published and distorted by the Democratic press.

Is there anything wrong in that? We regret we were not present to make a short hand report for The Post, but our space is so limited we cannot publish full reports of the many good speeches being made in this campaign.

It is somewhat remarkable that as soon as a man becomes a Republican he is charged by Democratic papers with utterances entirely at variance with his entire life.

Lincoln County.—The Republicans of this county held their Convention at Lincolnton on the 22d inst., and nominated the following candidates:

House of Representatives—W. S. Bynum. Sheriff—J. H. King.

Coroner—Mason Luckey. Register of Deeds—B. F. Frigg.

Treasurer—A. McCay. Surveyor—John B. Smith.

County Commissioners—Wm. Tiddy, J. M. Smith, John Rudisill, James Mullin, Levi Saine.

This is a good ticket and will be elected. The Ku Klux are no longer rampant in Lincoln. The election will be free, and in that case the Republicans will carry the county.

We desire to impress upon our friends in Lincoln that they must leave no stone unturned to carry their county. Attention must be devoted to the townships. See that every man who has not registered does so at once.

Accidents.—The following items are taken from the Goldsboro' Messenger:

We learn from our Onslow county friend, C. Street, Esq., that a Mr. Atkinson was killed by a negro man, named Wiley Williams, in Jacksonville township, Onslow county, on Friday of last week.

We regret that Mr. Cornelius Patrick, of Sampson county, had his right foot mangled between the car coupling on the Excursion train, shortly before leaving the Wilmington depot.

A horse of Mr. Levi Radford, residing near Boon Hill, was instantly killed by lightning last Monday evening.

Two young men, one of them a son of Mr. A., were out playing when the storm came up. They sought shelter when the lightning struck a cherry tree near by, killing one of the boys, stunning the other, and seriously wounding the two men, who have been under medical treatment ever since.

Accidents—Four and Flourishing.—New Orleans.—The following items are taken from the Hillsboro' Recorder:

Which Squire Allen Brown was going home in his buggy from this place Tuesday evening his young horse took fright, ran away, and threw the Squire out, injuring him very badly, and some reports say, seriously. But we trust not.

A married lady in Caswell has just had four boys at one birth, all very much alike, and all a kicking and doing well. Our informant was told the name of the lady but we withhold it for the reasons mentioned in her neighborhood if the name of the flourishing firm be made too public.

Sam Crawford in this county has found a new kind of oats in his oat field. It is a black kind, strong and healthy, and 72 stalks from one seed—700 grains or 700 bushels from one sowing.

Burke County Candidates.—The Republicans of Burke county met at the Court House in Morganton on the 20th inst., to nominate candidates for the Legislature and county officers.

F. D. Irvin acted as secretary. The following nominations were made: House Representatives—J. T. Patterson, Sheriff—J. J. Beach.

Register of Deeds—T. A. Seals. Coroner—S. E. Potete. Surveyor—Iverson Queen.

Treasurer—E. P. Walker. Commissioners—T. G. Walton, T. A. Dorsey, Madison Smith, J. C. Estes, James H. Debrand.

Stillely. 3rd district—Henry Eppes. 4th district—Alexander McCabe. 5th district—Jacob McCotter. 6th district—C. H. Thomas, G. W. Stanton. 7th district—A. S. Seymour. 8th district—W. A. Randolph County.—A friend writes us from High Point, June 29th, as follows:—"Randolph Republicans made their nominations to-day: B. Bulla for the Senate; Frasier and Bean for the House. Col. W. B. Headen, John D. Mason, and Col. Thos. B. Soney, of Rowan, were present and addressed the people. Randolph will make virtuous Jimmy howl on the 1st day of August. The Republicans are thoroughly organized and all at work; determined to make Randolph the banner county of the 5th District."

—We doubt not that Randolph will roll up a heavy majority against the corrupt candidates of the corrupt Democracy. Especially Bull-Pen Leventhorpe and Northcote Graham. Roll on the ball. Hard work and thorough organization in the townships will ensure success.
