THE RESULT IN NORTH CAROLINA.

We are at length enabled to announce with certainty that the Republicans have carried North Carolina. Governor Caldwell and the whole State ticket are elected by from one thousand to two thousand. The Legislature is almost entirely Republican.

sound to the conflict. Let us "up and at them!"

The time is short, and the work to be accomplished is of the most momentous character. Let no good Republican slumber on his arms, but, in the language of the immortal Clay, as we have already reposed long enough in camp, "let us shake off the dew-drops that glitter on our garments, and MARCH ONCE MORE TO BATTLE AND TO VICTORY."

THE NEXT STATE ELECTIONS.

Where the August and September Struggles will Come Off—The Candidates and Past Vote. The interest which has recently centered in North Carolina will now be transferred to the States holding elections during the next five weeks.

SUMNER ANSWERED.

Speaker Blaine Reviews his Letter. A POWERFUL REPLY. Sumner's Claims vs. the Record.

THE ABOLITION GUARD.

Hon. James G. Blaine, Speaker of the House of Representatives, has addressed the following letter to Charles Sumner in reply to his recent letter to the colored citizens: AUGUSTA, Me., July 31, 1872.

A Democratic Protest.

Letter from Ex-Mayor Wheaton of Detroit to the National Committee. Hon. Wm. W. Wheaton, late Democratic Mayor of Detroit, and Chairman of the Democratic State Committee, has published the following vigorous letter, which every Democrat ought to read:

General Dix's Letter.

The frank and emphatic letter of General Dix, must have a decided influence on the Presidential contest. It has in it the same ring of patriotic determination that his famous despatch had to "shoot down whoever attempts to haul down the American flag."

South Carolina—Alabama.

Letters received in Washington, D. C., from South Carolina, Florida and Alabama give encouraging statements of the Republican situation there.

Politics at the South.

No candid person denies that many of the States which participated in the rebellion have suffered severely from what is termed "carpet-bag rule," that is, by the corruptions and downright status of dishonest officials.

Gen. Hoke and Masonry.

In a Masonic Address in The Norfolk Journal delivered before the Norfolk (Va.) Lodge by the Rev. Wm. G. Starr, on the 28th day of last June, we find the following account of what Fred Masonry did for a poor wounded Federal soldier who was lying in front of the works of Gen. Hoke of this State at the second battle of Cold Harbor:

Reconciliation.

Here is the gospel of "reconciliation" as preached by a leading Democratic journal of North Carolina, (The Raleigh Sentinel.) In speaking of the Republican representatives elected to Congress it says: "He will represent fittingly his proper constituency—ignorant negroes and depraved and purchasable white men."

A Turp on Vance.

Vance made a good mot on the jackass in Newbern that commenced to bray when Vance commenced to speak, and Vance said: "Look here, my Radical friend, I didn't agree to divide time with you."

Hyde County.

A letter to the Editor from this county, dated August 4th, says: "We have heard from all townships except one and the Democrats are one hundred and thirty ahead, the one precinct to hear from cannot possibly give them more than twenty. So their majority will be between one hundred and one hundred and sixty."

There is a wheat field on the west side of the San Joaquin River in California, thirty-five miles in length by eight miles in breadth, with an area of 175,000 acres. Estimating the average yield at sixteen bushels to the acre, it would give a total yield of 2,842,200 bushels, or 86,015 tons, which, if made up in one train, would reach for over eighty miles.

Kentucky Liberatorism.

Letters to the Republican party, received on the 10th inst., from Louisville, Kentucky, on Monday, the 5th inst., the Greeley ticket being beaten 3,000 votes. Last year this city gave 13,000 Democratic majority; a loss of 16,000. The citizen's was successful. Republican Sheriff was elected by 819. The day before election the Democratic organs exhorted the faithful to come up to the scratch and prevent the dishonor of a Democratic route. They didn't come. First gun for Kentucky.

Another Come-Outer.

S. G. McKee, editor of The Alliance Telegraph, Alliance, Ohio, renounces Greeley, and declares himself for Grant. He has been a prominent Democrat for twenty-four years, but cannot swallow the dose mixed up at Baltimore. In his letter Mr. McKee says:

As I have for these long years been wedded and bound to the Democratic party through principle, I feel that I have nothing to bind me to that organization any longer, and shall cast my vote for General Grant.

As I have for these long years been wedded and bound to the Democratic party through principle, I feel that I have nothing to bind me to that organization any longer, and shall cast my vote for General Grant.
