

#### THE CAMPAIGN.

An Election for Delegates to number One Hundred and Twenty, to amend the Constitution of the state, will be held on Thursday, the 5th of August, 1875. The Convention will meet at Raleigh, on the 6th of the following September. Township Officers also will be elected on the first Thursday in August.

REPUBLICAN NOMINATIONS. WAKE COUNTY.

For Delegates to the Constitutional Convention:

RICHARD C. BADGER, . ALEXANDER L. DAVIS, MADISON C. HODGE,

E B **Register!** Register! Let the people turn out and register. In consequence of the Democratic gerrymander of Raleigh and other cities and towns of the State, by which the boundaries of wards have been changed, it is necessary that all persons living in such cities or towns who desire to vote shall register for the coming election.

Registration to vote at city or town elections will not answer now. In the country, all persons who have arrived at the age of twentyone years or removed into the township in which they reside since the last election, and have remained residents of the same within the time prescribed by law, must register before the day of election.

HEADQUARTERS WAKE COUNTY REP. EX. COMMITTEE, Raleigh, N. C., Aug. 2, 1875. Republicans of Wake county, beware of spurious tickets. A large number of tickets with the name of T. F. Lee inserted in the place of one of the Republican nominees have been circulated in the county. The object of this is to defeat the Republican ticket. Look well to your tickets before you vote. Take your tickets from none but the appointed canvassers in your township or ward. Remember that every ticket voted with the name of T. F. Lee upon it is a vote for the Democratic party. W. W. WHITE, Ch'n Wake Co. Rep. Ex. Com. ALBERT MAGNIN, Sec'y.

## THE CAMPAIGN.

**County Republican Headquar**ters.

The Headquarters of the Wake County Republican Executive Committee are at the office of D. A. Wicker, J. P., under the old Cape Fear Bank.

HEADQUARTERS WAKE COUNTY

REP. EX. COMMITTEE, Raleigh, N. C., Aug. 2, 1875. To Republican Township and Ward Committees :

Your attention is called to the fact that the Supreme Court has decided that every man shall be allowed to vote who swears to his right to do so. and that no other evidence is required. If in your Township or Ward at the coming election any vote is rejected after the person offering to vote has sworn to his right to do so, you will at once report the names of the poll holders so offending, together with the name of the man offering to vote, the reasons given by the poll holders for the rejection of the vote, and all the facts of the case, to these headquarters, in order that immediate steps may be taken for an investigation of the same before the U.S. Commissioner. By order of the Rep. Ex. Com. W. W. WHITE, Ch'n.

ALBERT MAGNIN, Sec'y.

## The Prospect.

We do not intend to misrepresent the political outlook. We mean what we say when we assert that are to be an indication of the coming election, then the anti-Convention men will have a majority in the body ranging from six to fourteen, and will carry the State on the popular vote by from at least twelve to fifteen thousand majority.

We can, we think, calculate fully on Lenoir, Washington, Greene, Wayne, Camden, Tyrrell, Johnston, Wake, Nash, Cumberland, Brunswick, Montgomery, Richmond, Robeson, Guilford, Davidson, Mitchell, Yancey, Madison, Cherokee, Surry and Stokes. These counties had Democratic representatives in the late Legislature and will be Republican gains. We can doubtless make gains in several other counties not named. This calculation will give us the Convention by about fourteen majority. We say, therefore, that unless our friends throughout the State are greatly mistaken we are safe, and the present Constitution, with all
