So far as the apparent enthulasm of the democrats is concerned this campaign is like many others we have passed through of le cars. They felt sure of electing Seymour in 1868, and Greeley in 1872. The same men that made all District. the noise then are making it now. Don't you remember them? Larly

that ex-Governor Seymour is not such a very great man after all. Indeed, one of them says that there are hundreds of men in New York under whose hats there is quite as much ability, quite as much brains as there is under that worn by Mr. Seymour. It is astongishing what and Dr. Wheeler delivered eloquent the night he awoke, and becoming little things change their opinions.

and yell, and disturb meetings, but the quiet men do the voling:

"The Supreme Court shall consist of a Chief Justice and two Associate Justices." The down the number of the Judges is that of economy. But five Judges can do more work than three. It is to be hoped the state will grow in population and wealth. If so, the business of the Courts will increase. The dockets will be crowded and parties in court delayed in getting justice, unless there are Judges enough to keep up with the busi-

Tilden's Connection with the Credit Mobilier.

Question by Mr. Hoar—Were you not informed by the counsel who drew this contract that this was a violation of law?

Answer by Oliver Ames—We were informed by counsel whom we consulted that this issuing of stock as payment upon the contract for building the road was in entire compliance with law. Question by Mr. Hoar-Who were

Answer—SAMUEL J. TILDEN

"In case the General Assembly shall establish other courts inferior to the Supreme Court, the presiding officers and clerks thereof shall be elected in such manner as the General Assembly may from time to time prescribe, and they shall hold their offices for a term not exceeding eight years," [p. 19, Proposed Amendments.] HERE IS A PART OF THE TRAP. In other words, if the County Courts are restored, the General Assembly may (and will) provide for the election of its officers, by taking the same away from the people.

Romanism in the United States.

It has been difficult hitherto even to approximate to the numerical of progress, of equal rights and the strength of the Roman Catholic Church in the United States. last we find what may be regarded as an accurate semi-official estimate. It has appeared in the Catholic World, a monthly magazine of high tone and character, ably edited and issued by the Catholic Publication of acceptance is the strongest true re-Is it not strange that George H. | we learn that a century back there | the strict integrity of the party, Brown, of Statesville, a son of William H. Brown, who was murdered by Gov. Vance's troops, is the person who bought Dr. Calloway's had risen to 282 in the year 1830, and found in that house that house, and found in that house that a century back there were not more than twenty-five were not more than twenty-five were not more than twenty-five while Judge Settle's nomination were placed in nomination and shows it to be the friend of the poor. That the cry of honesty and reform from a party which nominate for the highest office in the nation the confidential friend of 'Boss Tweed,' following gentlemen composed the confidential friend of 'Boss Tweed,' is the essence of hypogrisy, and that old man Brown. Gov. Vance had no thought that his bloody letter to Dr. Calloway would ever see the light. But behold it is now the same also thirty-three colleges, have done so had he not been ban-
