more than \$5,000,000. Exports of cotton for eleven months, ending with November, are 100,000,000 pounds in excess of exports for the corresponding period of 1896, but notwithstanding this increase in quantity, the low price of cotton resulted in a decrease, as compared with the same period last year, of over \$17,000,000 in value. Export price per pound for three months ending November, 1896, 7.6c, and for same period this year, 6.1c.

### COMPROMISED FOR \$6,000.

### United States Express Company wins a Victory in Virginia.

By Telegraph to The Morning Post. LYNCHBURG, Va., Dec. 11.—The suit of F. M. Threadgill vs. the United States Express Company, involving about \$55,000, was compromised out of court today, the defendant company agreeing to pay the plaintiff \$6,000 without costs. This is a victory for the express company as in the previous trial of the case. Threadgill obtained a judgment for

## WHY THIS GOVERNOR HESITATED a Scheme to Kidnap the Negro.

HELENA, Mont. Dec. 11 .- The Govertion of Governor Stephens, of Missouri, Mr. Donald Gillis presented in open for Johnson, a negro, who is wanted for ceived numerous letters and telegrams from Missourians, urging him not to grant a requisition as the object was to get Johnson in Missouri and lynch him. The Governor would not grant the requisition till assured that Johnson, the prisoner, should be protected.

# Spanish-Cuban Collision .-- Usual Result.

By Cable to The Morning Post. HAVANA, Dec. 11 .- It is officially reported that the Spanish General Valderrama, at the head of a strong column, captured a Cuban camp in the Province of Havana. The rebels, numbering 200, poses to establish there. He states that made a desperate resistance. A Spanish Lieutenant Colonel and three soldiers were killed, and one officer and 16 soldiers were wounded. The rebels are said to have had nine men killed.

MEETING AT WASHINGTON.

## "Our" Pearson Acted As Chief Spokesman -A Committee of Seven Appointed-Most Favored Modification

of the Law.

By Telegraph to The Morning Post. Washington, Dec. 11.-Fifty-six of the Congressmen who signed the call for a conference to discuss the policy to be pursued in securing the repeal or modification of the Civil Service law, met tonight and had a two hours' talk The upshot of the matter was that, on motion of Mr. Pearson (N. C.) the originator of the movement looking to conference, committee, seven were appointed to examine several bills pending before the Committee on Reform in the civil service, and, re-Mr. Pearson. Hepburn presided at the meeting. Nearly every one present spoke, the principal speeches being those belief that if that was done by the pres-

would not pole enough votes to pay for counting them. Gen. Grosvenor urged the modification of the present law, to restrict its operations within the scope originally intended for it by its authors, to the clerical force in the departments at Washington and the postal service. He scored Cleveland's alleged double dealing with a law to keep Democrats in

office and Republicans out. A greet majority of the Republicans present favored the modification of the law, and not its repeal, and after the conference adjourned they expressed great confinence in the abflity to secure the end sought. Pearson, said to Post correspondent, had 79 signers 57 standing committees of the House, 14 of them being chairmen. The States of California, Illinois, Maryland, Michigan, Minnesota, Nebraska, New Hampshire, New York, North Carolina, North Dakota, Ohio, Pennsylvania, Tennessee, Virginia and West Virginia were repre-
