

a three-story building, and mangled be

at there will be no very strenuous oposition to the immigration bill, and hat it may be passed after a brief debate. While its friends are hopeful of the peedy and favorable consideration of the bill, they realize the possibility d delay on account of opposspeeches. There appears to no reason to doubt that when vote shall be reached the bill vill pass. By special arrangement between Senators Carter and Lodge, in charge, respectively, of the two bills, the mmigration bill will be temporarily disdaced, In order to give Senator Harris an opportunity to call up the bill providing for the next census.

Question of Annexation.

The friends of annexation on the Committee on Foreign Relations are now expecting to ask the Senate to take up the or action and treaty during the week, though quite quite well aware of the impossibility of a that the future securing action before the holidays. argely depends They are decided also upon taking the treaty up as such, instead of attempting to prepare a list of all parties not havto obtain legislation on a joint resolution. They may, perhaps, postpone their request for consideration until January. The Senate leader express themselves as* You will agreeable tog the House programme of adjournment for the holidays on Saturday.
