Although the affair happened in broad daylight and in the presence of a large number of witnesses, there are various wise just now to attempt to give particulars. The Post correspondent has interviewed a dozen eye witnesses, and nearly all differ as to certain material t would accordingly be impossible to facts. Nothing but a judicial investi-

that does. Town Marshal Petty was cut, MIcver was killed instantly by a shot from a pistol in the hands of J. P. Scott, or by subsequent treatment. Culpability is variously placed. Scott is in custody and it is reported that Petty has been

EVERYWHERE AT ONCE

Democratic Meetings

Chicago, Oct. 15 .- Every city and town has passed. After the first reports one to five Democratic meetings on the General Chaffee seized in one lump near-ly \$400,000, which is now being held by the American government.

On a determination to give to untry a shaking up such as has new force been witnessed in a political campaign. On the date named William J. Bryan will address a convention of national Democratic clubs in New York city. So far as it possibly can be done, the committee will supply speakers of more than local prominence. No such gigantic and wholesale demonstration has ever been attempted by any party in will stand without a parallel.

FOR MORAL EFFECT

Grounds Upon Which Separate Cars for Negroes Is Urged. New Orleans, Oct. 15 .- H. D. Wilson,

member of the legislature for Sangipahao, author of the bill requiring the negroes to use separate street cars from the whites, is in New Orleans and pressing before the city council the separate car ordinance. Mr. Wilson urges the law on the ground of the moral effect. "It is not only the desire," says Mr. Wilson, "to separate the whites and blacks in the street cars for the comfort it will provide, but also for the moral effect. The separation of the races is one beneand don't you know that there is nothing that shows it more conclusively than the compelling of the negroes to ride in cars marked for their special use?"

Envoy from Tibet to Russia

London, Oct., 15 .- The Times' St. Petersburg correspondent announces as a fact of the highest interest and significance that a special envoy from Tibet has arrived in that city and was presented to the Czar Saturday. Tibet being a dependency of China, it was understood that that country did not have the right of intercourse with foreign States apart from the intermediary of the Chinese government.

Cases Advanced for Hearing
