

WILMINGTON MARRIAGE

Miss Taylor and Mr. A. K. Williams Marry.

Beautiful Wedding Ceremony in Grace Church - Miss Margaret Harris Maid of Honor - Reception by Captain Williams

The Wilmington Star of November 8th contains an extended report of the marriage of Miss Majorie Taylor, formerly of this city, to Mr. Alonzo B. Williams, who was also for a number of years a resident of Raleigh.

The marriage of Miss Majorie Louise Taylor, daughter of Mrs. Lulu V. Taylor, of Raleigh, to Mr. Alonzo Rowland Williams, of New York, was beautifully celebrated in Grace Methodist church at 5 o'clock yesterday afternoon in the presence of a very large number of friends of the popular young couple.

The church was exquisitely decorated in green, pink and white, and the garlands used were of smilax studded with white carnations. The chancel was banked with beautiful chrysanthemums. The entire effect was most imposing.

Miss Carrie Chasten presided at the organ and at the appointed time, the bride and groom were joined in the holy rites of matrimony by the Rev. J. N. Cole, pastor of the church.

The bride, who was beautifully attired in a dress of white silk net, carried a bouquet of pink roses, tied with pink satin ribbon. The groom, in a dark suit, carried a bunch of white flowers.

Immediately following the wedding ceremony the bridal party assisted numerous friends of the newly united pair to the residence of Mr. H. L. Pentress, 114 North Fourth street, where an elegant reception was held.

The entire first floor of the house was most elaborately decorated with chrysanthemums, roses, portulaca, and candles, and in the dining room, which presented an exceptionally attractive appearance, green and white prevailed.

At the hearing before the Commission there will be a number of railway officials present. A large number of shippers will also be on hand. The subject will be treated at much length.

FREIGHT CLASSIFICATIONS

This Subject to Be Argued Before the Commission Wednesday

The Corporation Commission meets next Wednesday, at which time the matter of freight rate classifications will be taken up.

The hearing of the rate classification matter was postponed some weeks ago by reason of the fact that the railroad engagements, the hearing has been asked for by shippers of furniture and fertilizers, who allege that the new interstate classification of freight rates discriminates against them.

At the hearing before the Commission there will be a number of railway officials present. A large number of shippers will also be on hand. The subject will be treated at much length.

On September 9th, according to Agoncillo, there was a big battle at Agoncillo, province of Paraguaray, in which the American commander was wounded and was made a prisoner with his whole column. BUTLER TO BE REWARDED?

Story that He Is to Be U. S. District Attorney

Said He Is Sated to Succeed Bernard. Many Democrats, It Seems, "Prayed" for McKinley's Election

While Republican officeholders are rejoicing over the re-election of President McKinley, many of them are uneasy and much concerned as to what the future will do to their official heads.

Before he was re-nominated President McKinley stated that his re-election did not mean the re-appointment of officials serving under the administration. In fact notice was virtually served that there would be many changes. This statement by the President still rings in the ears of many of the federal officeholders in North Carolina.

It is said that District Attorney C. M. Bernard is one of those who will walk the plank at the expiration of his four years. An interesting report in connection with Bernard's deputation is that Marion Butler is to be rewarded for his services to the G. O. P. and that he will succeed Bernard as district attorney of the eastern district. This story comes from Republican sources.

Butler certainly did not turn his hand for Bryan in North Carolina and on the other hand it would seem that he did a great deal for McKinley. Results indicate as much. His own county, Sampson, which has a Populist majority of 1,000 gave 800 majority for McKinley. Practically all the Populists in Sampson voted for McKinley.

When Senator Pritchard declared that there were many Democrats who would vote Bryan and pray for McKinley's election he spoke more truly than he reckoned at the time. In all parts of the State the vote for Congressional candidates was in the main for McKinley electors. The canvassing board of Wake made a mistake in adding the returns and Bryan receives a majority in the county of only 514 votes instead of 327 as was officially announced.

to consent to the execution of Yu Hsien Tung to Su Shiang. He declares that it is equally vain to attempt to induce the powers to moderate their demands, and that therefore the court is preparing for a further fight to the province of Szechuen, with an imperial army of 14,000.

LOOKED IN A VAULT

Burglars Play a Mean Trick on a Doctor Who Happened to Be Around

Barkersville, Ky., Nov. 9.—About midnight last night Dr. G. H. Albright, a leading physician of this place, was called out to see a patient and on his return home while crossing the public square in front of John A. Black's Bank four men rushed out and covering him with their pistols, ordered him to throw up his hands, which he did. He was then taken to the corner of the building and carefully guarded and told to be looked at any of them he would be killed. Confederates were inside the bank proceeding to blow open the vault. After hearing several dynamite explosions the doctor heard one of the men in the building say:

"Bring him in."

"This was done and he was thrust into the vault and the door closed, one of the men remarking:

"Have a seat doc."

He remained in the vault until 6 o'clock this morning, the opening hour. The outside door of the safe was blown to pieces but the side door was not opened. There was about \$5,500 in the vault, all of which was accounted for but \$300, which the robbers succeeded in obtaining.

The Cumberland Valley Bank was also entered, but no damage was done. The bank has a large safe which it is supposed the burglars were afraid to face.

Bloodhounds have been put on the trail of the robbers.

RESULT IN NEBRASKA

Nearly Complete Returns Give McKinley More Than 7,000 Majority

Lincoln, Neb., Nov. 9.—Returns from 87 of the 90 counties in the State gave McKinley a majority of almost 7,500. The counties to hear from are small and will not much change the figure given. The Legislature is very close and dependent upon the result of the official count in Douglas county, which has twelve members, and in four outlying districts. There is little reason to doubt that the Republicans will have at least three majorities on joint ballot, although the famous claim at my two districts, Republican, is apparently governor by 985, but the Fusionists claim Poynter by 470.

McKinley's Majority in Illinois

Chicago, Nov. 9.—Full returns received from all counties in the State show that McKinley and Roosevelt carried Illinois last Tuesday by a plurality of 65,038. Richard Yates, for governor, ran 32,979 votes behind the Republican national ticket. This plurality over Alschuler was 42,114.
