#### A HINT TO TURKEY

#### FIGHTING DAY BY DAY The Battleship Kentucky Will Touch at Smyrna on Her Way East

Washington, Nov. 19.-Orders of a significant character in connection with the fruitless attempts of the United States to secure payment of the \$90,000 demanded of Turkey for the destruction of American property in the Armenian troubles were issued by the Navy Department today. A telegram was sent to Naples to be delivered to Captain C. M. Chester of the battleship Kentucky on his arrival there, directing that the Kentucky touch at Smyrna, Turkey. Beyond this fact no information covering Captain Chester's instructions were obtainable. Smyrna was not on the original itinerary of the Kentucky. Since the controversy with the Turkish government on the American claim became specific directions carefully avoided Turkish ports. The important bearing on the indemnity question of the orders to the most powerful battleship of the American navy to stop at Smyrna at this time cannot be overlooked.

#### Sheriff Protecting a Mine Manager

Denver, Col., Nov. 19 .- A dispatch reeived this morning from Eldorado says there late last night and has since been protecting Manager Bailey of the Enterprise mine, from the anger of twenty. looked for, as the men are determined

news from there is slow in reaching this

#### Three B. and O. Directors Resign

Baltimore, Nov. 19 .- At the annual stockholders meeting of the Baltimore and Ohio Railroad held in this city today the resignations of Alexander Brown, of this city: J. Kennedy Tod, of New York, and H. J. Pearce, of St. Louis, directors, were tendered and accepted. John P. Green, first vice-president of the Pennsylvania: Charles I weed, chairman of the executive committee of the Southern Pacific Railroad and Martin Erdman, of Speyer & Co:, New York, were elected to fill the vacancies. No further information was obtainable as to the proceedings when the meeting adjourned.

### Steel Plant Resumes Operations

Joliet, Ill., Nov. 19.-Fires were started in the converter and billet mills of the Illinois Steel Company last evening and between 800 and 1,000 men began work this morning. These departments! have been shut down three weeks, but local officials say the prospects are now good for steady running. The entire local plant of the steel company, with the exception of the rod mills, is new running, and it is expected that these will be in operation in a short time, although officials will not at present make any definite statement as to the probable date.

## Hanna's Forecast of Work for Congress

Cleveland, O., Nov. 19 .- A brief foreeast of the work of Congress is given here by Senator M. A. Hanna, who says, ed the Filipinos will again seize the ter- the first task of Congress is to place the army on a permanent basis. The army bill will call for 70,000 men and will come up early in the session. He says it is absolutely mecessary that we sage to the President, who is expected to should have a standing army of sufficient cient size to maintain our position in the Philippines. As to the canal bill he believes that the provisions of the Hay-Pauncefote treaty will be carried) out and the canal will remain neutral,

#### Children's Gifts to Galveston Schools New York, Nov. 19 .- A half dozen. clerks of the Board of Education were busy today counting the pennies, nick els, silver and even bills contributed b; the school children of Manhattan and the Bronx toward helping the school

children of Galveston replace the books and blackboards destroyed in the great About one third of the packages received from different schools had been opened yesterday and the contents counted and it was estimated that the contributions from the two boroughs would

Mexican Troops Pursuing Apaches Austin, Tex., Nov. 19 .- A dispatch from Chihuhua, Mexico, says the War Pacheco colony, have taken refuge in the Sierra Madres, where they are being closely pursued by a detachment of troops that was sent out against them

#### from Juarez. Further Trouble at Stanford

San Francisco, Nov. 19.-Stanford University was aroused again today when it was learned that President Jordan had notified Professor Ross to cease his connection with the university at once instead of continuing his lecture to the end of the present session. This abrupt dismissal of Mr. Ross caused much resentment among the students. Prof. Martin A. Aldrich, who has been Dr. Ross' assistant in the department of economics, keenly resented the action of the faculty, and his letter of resignation was the result. Other resignations are expected for the same cause.

## Fell Through an Elevator Hole

Reidsville, N. C., Nov. 19.—Special. John W. Groom, manager of the F. R. Penn Tobacco Company's smoking tobacco factory, fell through an elevator hole tonight and broke his leg. He is suffering greatly from the fall.

## Election Returns from Idaho

Boise, Ia., Nov. 19.-Complete returns from the State elections show an average plurality of 1,898 for Bryan electors. Hunt, Fusion, has a plurality of
