majority of the committee of ministers, majority was 145. Germany, however, still prefers that China shall raise a loan to pay off the various indemnities. A loan of this kind under the present circumstances would naturally sell below par-say at about 80. This would increase China's indebtedthe indemnities. It seems doubtful now that the concert of the powers will be maintained on this indemnity question.

# NOT SO SEVERE

Bloodthirsty

Pekin, April 1 .- A majority of the ministers have mutually agreed to yield of the French office. He said; somewhat on the question of the punishfor, one of them being an official at other than her actual safety. Kucchucheng, who was responsible for

however, already escaped. plicit order from the American govern-French governments. These three counredress, as the largest number of those French. Many of the Chinese wish to diminished because they are anxious for the removal of the reactionary party, the members of which were directly implia cated in the massacres. The ministers, however, make no distinctions as to the party affiliations of the accused, but seek only punishment in the case of really guilty officials in proportion to

the degree of their guilt. The ministers have also decided to omit the names of certain Pekin officials because the Pekin list has already been presented and the ministers were at that time ignorant regarding the action of certain officials, who it has since been charged aided the Boxers to massaere Christians who were regarded as friends of the foreigners. The escape of these officials is due to the fact that the ministers failed to secure information against them at the proper time, though such information was in possession of

the foreign civilians. Notwithstanding the fact that a large portion of the protocol has not yet been settled, the ministers are already planning to withdraw to temples in the western hills, where they will spend their summer vacations, The French minister will not leave Pekin until May, when his successor will arrive here. Ine Chinese plenipotentiaries will take no vacation, but will remain at their post of duty. Thus far the ministers appear more dilatory than the Chinese. .

The security for the redemption of these bonds shall be the revenues of the weathered the storm, and for the first in all their propositions for ending the empire.

> A dispatch from St. Petersburg today' says that the exiling of Count Tolstoi is regarded as an indication that the czar had adopted a policy of wholesale banishment as the solution of the political difficulties that beset the government. It is hinted in certain circles that the czar has become panic-stricken over the

grave possibilities of the situation and has therefore accepted the advice of the most unrelenting of his ministers, The St. Petersburg dispatch says that Count Tolstoi was escorted to the Prussian border and told to stay out of Russia. It is also said that he was given to understand that his return would be attended by the most severe penalties as

he was held in a large measure responsi-

ble for the alarming disturbances that have occurred. But Tolstoi is not the only one to be banished from the Russian domain, Most of the released prisoners who were conerned in the recent riots have been told that they no longer will be permitted to remain in St. Petersburg or Moscow, and they have been allowed three days in which to leave the cities mentioned, with the intimation that it would be

safer for them to go beyond the borders of the empire. According to another dispatch from St. Petersburg, there has been received from Warsaw an unofficial account of an attempt to assassinate M. Sipiaghin, min-
