The double header in this city yesterday between the Raleigh team and the Orphans contained no sensational features. Glenn, for the Orphans pitched the first half of the first game and did pretty work, the locals only getting two hits off him.

Charters was in the box for the locals and was pounded for ten hits, though they were pretty well scattered. Kain was on third base in Hook's place, the latter having gone home to visit a sick sister.

THE SECOND GAME.

The second game was faster and full of snap, though lasting only five innings. Leonard was in the box for the locals and Sweeney for the visitors. The former had much the best of it, as the score and summary show. The attendance was small as the management had failed to let it be known that two games would be played.

New Bern Shut Out

Charlotte, N. C., July 9.—Special.—Charlotte and New Bern were scheduled to play a double header this afternoon, but on account of rain only one game was played and that was called in the seventh inning. Only one run was scored and that by Charlotte in the sixth. A feature of the game was a pretty catch by Fielder Graham of the locals.

Greensboro 7 Durham 3

A double three straight from the Bulls makes the Farmers rejoice. The game today means that for the second time since the new series began Greensboro has not allowed Durham a single game. The game today was called in the seventh inning on account of darkness. Features of the game today were the slick work of McTeer, Fox and Sullivan, and the pitching of Walters for the locals, while Soffel, Stockdale and Fisher did good work for the visitors. Umpire Boucher is the best ever seen here.

A FAMILY AFFAIR. "I raised a family on Dr. Hartner's Iron Tonic" is a common expression in letters to Dr. Hartner. It is very true that this famous remedy does appeal to the family; it is a common sense, everyday help—not a patent medicine. There is no secret about it. Iron has been used to purify and strengthen the blood ever since medicine became a science. In the half-century of its existence Dr. Hartner's Iron Tonic has firmly established itself as an ideal family remedy. It is good for the baby, good for the young folks, and good for adults. There comes to all of them, regularly, not necessarily, sickness, but times when the blood needs to be purified and strengthened; thinking sensible people take Dr. Hartner's Iron Tonic at such times to prevent sickness. Keep the young people strong if you want them to succeed. When they are merging into manhood and womanhood the system requires an abundance of iron.

Seven Years in Bed

"Will wonders ever cease?" inquire the friends of Mrs. L. Pease, of Lawrence, Kan. They knew she had been unable to leave her bed in seven years on account of kidney and liver trouble, nervous prostration and general debility; but "Three bottles of Electric Bitters enabled me to walk," she writes, "and in three months I felt like a new person. Women suffering from Headache, Backache, Nervousness, Sleeplessness, Melancholy, Fainting and Dizzy Spells will find it a priceless blessing. Try it. Satisfaction guaranteed. All druggists. CHARLOTTE TEAM HAS DROPPED OUT

New Start Today—New Bern at Raleigh—Result of the League Meeting Held Last Night

A meeting of the North Carolina Base Ball League was held by wire from the offices of the Postal Telegraph Company in this city last night, President Busbee presiding.

The result is that Charlotte has surrendered her franchise, which virtually releases her players, and the Hornets are no longer members of the North Carolina State League of Professional Base Ball Clubs.

A new schedule has been arranged and New Bern will play in Raleigh today, tomorrow and Saturday, and Greensboro will play in Durham on the same dates. Stockdale had already gone to Charlotte with his team, but was recalled to Durham by wire through President Busbee and Manager Branham of the Durham Athletic Association.

This condition of things was brought about by the dropping out of the Wilmington club, which diligent efforts failed to locate elsewhere. The league is now composed of Greensboro, Durham, Raleigh and New Bern, and today a new race will be started for a second series in league ball. The managers for the remaining cities are enthusiastic and declare they in to the finish.

The cause of the voluntary dropping out of Charlotte is a matter of conjecture, and some surprise. It is known that Charlotte, as long ago as June 25, favored the dropping of New Bern. It was at that time foreseen that the Wilmington people would not stand much longer for a losing team, and letters were sent by Charlotte to Greensboro, Durham and Raleigh favoring the dropping of New Bern when Wilmington should disband, and the strengthening of Greensboro and Durham teams from the New Bern players.

When it was seen last night that one club would have to be dropped there was some difference of opinion as to which it should be and after several hours of cross firing Charlotte decided she didn't want to be a member of a four-club league and pulled out. It was stated that at the hour that was done Ashenback was in Atlanta trying to sell the Charlotte team to that city, with what success it was not learned. It is not unlikely that he succeeded.

However that may be, the fans will rejoice that the season is to be completed by the four remaining clubs.

Let the sport lovers greet the Raleigh and New Bern players on the diamond here this afternoon. It will be a fresh start and good ball will be played.

THIS TERM WAS A RECORD BREAKER

Criminal Court Adjourned Yesterday Afternoon

Wake superior court adjourned for the term yesterday afternoon about 5 o'clock after a session of only three days. For rapid dispatch of business it proved a record breaker. Judge Timberlake kept things moving as the following summary will show:

There were 134 criminal cases on the docket, and 66 of these were tried, 4 were otherwise disposed of, 7 were not pressed, 7 returned "not a true bill," and 50 were continued. The aggregate road sentences are 17 years and 10 months; work house, 5 years; and 4 months, 1 to state prison for 20 years.

The trial of Lorenzo Morris for murder was set for hearing at the September term. He is the young white man accused of the murder of Mrs. Catherine Bailey. Col. T. M. Argo will defend Morris. Upon consent of Col. Argo and Solicitor Jones the case was continued until September court, and Morris was sent to jail without bail.

Charles McLaughlin, the negro who broke into the houses of Mr. Nick De-Boy and others was indicted in five cases. He was given ten years each in two cases and judgment was suspended

in the others, as 20 years was adjudged sufficient punishment. With Mr. V. C. Royster as foreman of the grand jury that body lost no time but freely imbibed the spirit of haste that was moving the court. They visited the county home, the jail and examined the court house, besides acting upon a large number of bills.

ANNOUNCEMENTS BY CHAIRMAN SIMMONS

Regarding Committees in Senatorial Districts

A few days ago Chairman Simmons, acting from information that no chairman lived in the Thirty-fourth Senatorial district, designated W. C. Newland of Colwell to call the committee together for organization. It now appears that J. W. Wilson, Jr., of Burke, is chairman of the old committee and under the resolution of the State committee, chairman of the new committee. The designation of Mr. Newland is therefore recalled, and Mr. Wilson will call the committee together.

H. B. Chestnut of Sampson is chairman in the Fifteenth district (Johnston, Harnett and Sampson), and E. L. Shuford of Catawba is chairman of the Thirty-first district (Catawba and Lincoln).

E. F. McCulloch of Bladen and J. A. Brown of Columbus comprise the committee in the Twelfth district and it is understood the committee has already been organized.

In the Twenty-fifth district (Cabarrus and Mecklenburg) the nomination of candidates for Senators has been provided for without holding a convention.

Designations have been made by Chairman Simmons in all districts changed by the Legislature, in which designations were necessary, except in the Tenth (Duplin and Pender); Twenty-third (Montgomery and Randolph); Twenty-fourth (Anson, Davidson, Stanly and Union); Twenty-sixth (Madison, Mitchell and Wayne).

Chairman Simmons desires to know who are the old committeemen in these districts, so that he can make designations if necessary.

The Fourth Has Passed

One more "fourth" has passed into history, and that is not the only "fourth" that is gone. Weathers & Tiley have just cut one-fourth off the usual price of their framed and unframed pictures, and this fact ought to be very absorbing news to a lot of people who have need for these goods.

The persons summoned to attend on Monday next, July 14th, to serve as jurors for the second week of the July term, 1902, of Wake Superior Court are hereby notified not to attend as the court adjourned on yesterday for the term. By order of the Court, W. M. RUSS, Clk.
