Wales and other members of the royal

After an interval Lord Kitchener and Generals French and Hamilton took seats in one of the royal carriages and, followed by the brilliant headquarters staff, headed by Lord Roberts and an escort, left the station amidst loud cheers from those inside, which grew into a perfect roar as General Kitchener and his companions came in sight of the great gathering outside. The vast stands on Constitution hill

were crowded with people belonging to th ehighest class of society, and General Kitchener's well known antipathy to "drawing room folk" immediately became apparent. Whereas he had been all eral was driven through the decorateed smiles to the men in the street, his features here became immobile and he contented himself with a cold military salute until he again reached the open ground in front of Buckingham palace where the popular ovation was repeated. Shortly before the arrival of the proration for the generalship, resourcerunges and skill which he had shown in South Africa, and hoping that the peace which he had secured would be lasting and mark the beginning of a new epoch and mark the beginning of a new epoch of prosperity and commercial develop-
