DEATH OF MRS. SARAH B. TERRY

A telegram received from Rockingham, N. C., yesterday brought the intelligence of the death in that place yesterday morning of Mrs. Sarah Burgess Terry, widow of the late Harvey Terry, in the 89th year of her age, leaving a large number of children and grandchildren to mourn their irreparable loss. She was a most excellent lady and her death creates a vacancy in the community which will be difficult to fill. She had been a strict member of the Methodist church since her childhood. Verily a "mother in Israel" has fallen.

IN THE EDUCATIONAL CAMPAIGN

Superintendent of Public Instruction J. J. Joyner returned yesterday from a trip in the interest of the pending educational campaign. He addressed a large and enthusiastic crowd yesterday at Gastonia and another at Asheville Thursday. He goes to Hickory next Wednesday to hold a conference of county superintendents. These officials will assemble there from twenty counties and discuss the problems of public school development. Governor Aycock will visit the conference and deliver an address on Thursday.

Magistrate—"Did I understand you to say that the parties used high words?" Witness—"Yes, your Worship; their voices were unusually high, and their language was extremely low."—Glasgow Evening Times.

He Kept His Leg

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and 14 boxes of Buckeney's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, Tetter, Salt Rheum, sores and all blood disorders Electric Bitters has no rival on earth. Try them, all druggists will guarantee satisfaction or refund money. Only 50 cents.

The LESTER PIANO is Made Up to One Standard Only.

It is understood by those familiar with the situation that a good and poor Piano cannot issue consistently from the same factory. In any such instance the logic of the situation is that they are practically identical.

Workmen cannot do slipshod work on a day and fine work the next. Every Lester Piano is made to stand upon its own merits. We ask you to compare the Lester with any other Piano. We invite this, knowing there is no better Piano made. Prices moderate. Terms reasonable. Catalogue and full information for the asking.
