### CONSUMPTION'S SPECTRE

It is generally believed that the way of the consumptive is the way of the child-that the seeds of the malady are transmitted in the blood.

The startling but false spectre of this human scourge has long been erroneously encouraged to stalk abroad in the land and terrify the quaking offspring of its victims.

The veil of mystery has finally been torn from the apparition by industrious, scientific detectives, and the delusion has vanished. Consumption is never in-Sonsumptive tendency means heredi-

Paul Pioneer ress tells the secret of his remarkable popularity which enabled him to pass from one political party to another and still be elected Mayor by In creased majorities. A physican of large practice for many years, Dr. Ames was warm hearted and generous. "He was always ready to help and to serve need of his asistance which gave him so strong a hold on the affection of multitudes of people, and, in spite of all his glaring faults, has made him a political power." This analysis will at once remind Eastern people of the delightful Mr. Devery in New York, who buye shoes for barefooted boys pays the coal bills of poor widows and gets up huge ex cursions for the women and children.
