The general situation is, however, highly, interesting, and there has been no loss of interest by either the strikers on the public. The militia have grasped the situation and are pinning it down at every corner. Their strict obedience to orders to "shoot all disorderly persons who refuse to halt at command," and to "shoot to kill," has at last brought riots to an end.

Acting Police Justice Lonnie Graves distributed fines with a free hand this morning, and jail sentences were added in some flagrant breaches of the laws The company officials believe that the end of the strike is in sight.
