Brutally Tortured  
A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobick of Colusa, Cal., writes: For 15 years I endured insufferable pain from rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me. Just as good for liver and kidney troubles and general debility. Only 50c. Satisfaction guaranteed by all druggists.

"Alas!" moaned the poet. "I put my most soulful thoughts on paper, but my messages fall before the eyes of the unthinking cannibal. They laugh at everything I write."  
"Alas!" moaned the humorous poet. "I wish I had your luck!"—Judge.

Shoninger Pianos.  
It is certain that false statements cannot be maintained permanently, and that truth only is eternal, is a motto that has guided us through the many years of our business success and has always prompted us to consider only the best pianos of the various grades, selling them at prices consistent with their quality. Our success as piano merchants goes to prove that our efforts along the above lines are appreciated. Some of our competitors and their salesmen claim to represent the Shoninger Pianos in this state, and we are quite sure they would be only too glad to, but you can only buy this fine piano from
