#### Good Roads Convention

A good roads convention will be held at Lakeview on the 7th day of September by the Moore county Good Roads Association. The people of Moore are becoming much interested in road improvement, and it is but the simple truth to say that much of the Grant, Raleigh, N. C. prevailing sentiment in favor of better highways in Moore is due to the industrious and well directed efforts of Dr. Eugene Street, who attended the state good roads convention in Raleigh last year and was appointed one of the vice-presidents of the state association. He went to work in earnest and has found many earnest helpers in the good work.
