the Subject Before the Chautauqua Assembly

Justice Charles B. Lore, of the supreme court of Delaware, delivered an address which sets forth the attitude of the Climate of Vicksburg Un-

courts of Delaware on the subject of lynching. The chief justice said in "With us government means obedi-

ence to law. Lawlessness means anarchy. Mob law is anarchy, pure and simple. Anarchy is the rock upon which all ancient republics have ultimately been wrecked, and is today of Vicksburg, Miss., by a mass meetone of the most threatening evils of our republic.

"Strangely enough, just at this period of our national development, when by unique victories over oppression, the United States has a dominant place among the nations of the earth, and a time when our goverment seems to informing him that a hundred armed be most firmly rooted in public confidence, we have been disgraced by some of the most revolting and brutal exhibitions of mob violence recorded in history."

Increasing Significance of the Railroad Amalgamation Baltimore, Aug. 14 .- The Rock Is-

land-Seaboard deal is regarded with increasing significance in local financial circles. In quarters heretofore unfriendly to the Seaboard interests it is conceded to have been a great stroke for that property. It is believed that

the traffic of the Seaboard will be greatly augmented when the physical connections now being made are finished. The Seaboard will reach Birmingham about January 1, and will

there meet the 'Frisco system, with which it is now allied through the Seaboard deal. Through freight and passenger service, will, it is expected, be naugurated. An interesting rumor in connection with the deal is that the alliance was formed through the granting of a voice in the voting trust of the Seaboard to the Rock Island and that there has been no extensive sale

of the Scaboard.

LEO'S LEAVINGS

New Orleans, Aug. 14.-James Leonard, the organizer of the National Federation of Labor, who was driven out ing of citizens for organizing negro unions and precipitating a strike, has removed here and declares his purpose of taking the matter before the United States court. Leonard says that he was waited upon by a committee of three who ordered him to leave, men were in the next street waiting to kill him. He drove at once to the depot. A delegation of union men insisted on his not leaving, and he drove back to his boarding house. He asked for the protection of the mayor, who refused to give it and advised him to leave town at once if he hoped to escape alive. Leonard accordingly entered a closed carriage and drove ten to the contrary, coupled with a statemiles out of town to the station at but to close the bank doors.

Newman, where he took the train. Leonard has been at work in Vicksburg about two months and has or ganized a central trade labor council and unions of the blacksmiths, bartenders, street car men, car workers and others. When he began organizing the negroes and started a strike it was found impossible to hold the Vicksburgers in line.

During his stay in Vicksburg Leonard had success in arousing union sentiment among the working men. This White, charged with the assassination was shown in the action of a number of police who refused to ride in street cars operated by non-union labor. They were removed by the chief of police, but were reinstated by Mayor Tro- at life imprisonment. The verdict was bridge. Today the council approved returned at a time when there was but the action of the chief of police and censured the mayor for treating with the mutinous officials.
