he last presidential election the party cannot and does not deserve to win. The leaders of the party then were not Democrats and they are not Democrats now: they were Populists, and are still Populists. Mr. Bryan is a Populist if he is anything. If he is sincere he lacks common sense; if he is not he is a demagogue of the worst sort. He now has the impertinence to set himself up as a sort of dictator to the Democratic party. He recently denounced Mr. Cleveland as a bunko scerer.
