

BE A REAL WOMAN.

No. 805 Pease Avenue, HOUSTON, TEXAS, May 14, 1903

I was barren during the six years of married life, suffering with painful menstruation and a dozen other aches and pains. I was a poor excuse for a wife as I was not able to be up more than

about half the time and daily grew weaker and weaker. Wine of Cardui changed me into a different woman in five short months, made me robust and strong, ready and willing to assume the burdens and duties of married life and to enjoy its pleasures. am very grateful to you for

good health, and am today blessed with a baby who is the pride of our home and this is all due to your medicine. You will not wonder then that I am grateful to you.

Mas. Charles Mason VICE-PRESIDENT, HOUSTON MOTHER

WINESGARDUI

Wine of Cardui brings health to sick women. Wine of Cardui brings children to barren homes. Wine of Cardui transforms sick wives into real women-women who glow with health and are full of life.

Mrs. Mason was an invalid, a type of the thoroughly discouraged woman. By taking Wine of Cardui she has secured perfect health. She has become a happy mother and now rejoices in the life which was once such a burden and a sorrow to her. A man can be almost an invalid and keep about but the troubles which generally afflict women are so vital that as Mrs. Mason said of berself "I was a poor excuse for a wife".

No woman should allow herself to remain in this condition. How can any refuse the health Mrs. Mason has? Wine of Cardui is freely offered to all. Any woman may seucre exactly the same relief if she will take Wine of Cardui. Wine of Cardui is not a strong medicine but it is a certain cure for menstrual irregularities. It will not do impossibilities but it does cure bearing down pains, makes motherhood possible for barren wives and relieves the pains at the monthly period. Secure a bottle of Wine of Cardui today.

All druggists sell \$1.00 bottles of Wine of Cardui.

Wilmi., ngton, N. C., Oct. 20.-Special. S. Hill Terry was arraigned in the superior court today charged with the murder of George T. Bland, his son in law. The defendant's counsel made a motion for continuance until the next term of court. Judge Geo. H. Brown, Jr., overruled the motion and set next Monday for the trial. It is probable that the defense will make a motion for removal to another county, claiming that Terry could, not get a fair and unprejudiced trial in this county just at the present time. Terry has employed Bellamy & Bellamy and Russell & Gore to defend him.

Gave Excellent Performances Yesterday-The Hours

The large crowd which attended the opening of the Gaskill, Munday, Levitt Company's stadium were well pleased with all the acts, of which there are twelve, nearly all new and better than they had last year. After each act the hearty applause which followed showed that no one was disappointed and saw more than they expected. Every act is certainly a big feature. But the greatest of them all is the daring Divalio looping the loop, which must be seen to be appreciated. It is ground in safety.

Professor Holden, who makes a dive 8 p. m. from a ninety foot ladder into a tank act of daring.
