Fighting Materials Bought

New Orleans, Nov. 4 .- The intended secession of Panama from the republic of Colombia has been known for some time in New Orleans to business houses here engaged in Central American trade. It seems that the secessionists have been well organized for some time, have raised a considerable sum have laid in a stock of 10,000 rifles and \$60,000 worth of ammunition. Several New Orleans houses were asked for contributions and a desire was shown generally friendly to the revolution,

especially those from Nicaragua, The opinion here among them and unfavorable for Colombia to march an andsit is without the fleet necessary for a sea attack. Five hundred men at Panama and one hundred and fifty at the wealthier men on the isthmus are said to be in favor of the revolution and to have put up ample money to assure its success.

AMERICAN INTERVENTION

Ostensibly It is in Strict Conformity With Treaty Obligations

Washington, Nov. 4 .-- A telegram, received today from Felix Ehrman, Unitted States consul general at Panama, informed the state department that during the night the Colombian gunboat Bogota had thrown some shells into the city, killing one person, a Chinaman. Secretary Hay sent instructions by telegram to Mr. Ehrman to personally protest to the commander

of the Bogota against - the shellings One of the grounds for the protest was that due notice had not been given to the inhabitants of Panama that an attack was to be made. The other and more important ground was that the shelling endangered the property of the Panama Railroad Company; and so Mr. Ehrman was directed to say it inwidth is still in dispute and it likely to roll, a well known woman of this city, tirely unmixed with joy. The chief after receiving cipher dispatches from Should the Bogota's commander ignore executive is just now Shook's particu- the government at Washington. It is the warning of Mr. Ehrman by again
