Chamberlain's Stomach and Liver Tablets Better than a Doctor's Prescription Mr. J. W. Turner, of Truhart, Va., says that Chamberlain's Stomach and Liver Tablets have done him more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. CUNINGGIM UNVEILED Epworth Liberal Contributions for New Meeting House The memorial service Sunday morning in the Epworth Methodist church was largely attended, and, besides unveiling the memorial window to the late Rev. Jesse A. Cuninggim, a collection amounting to \$360 was taken to pay off the church debt. The sermon on this occasion was preached by Rev. T. N. Ivey, D. D., his theme being the Christian church. He showed that the church was the oldest organization in the world, dating back to the very dawn of creation. He spoke of the membership and the work, under God's direction, imposed upon those who are members of this mightiest of all organizations. In closing he made fitting reference to the services of the late Jesse Cuninggim in the Master's vineyard. The memorial window was unveiled by little Charles Richardson and Cordelia Donnelly. The motto on the window is "All for Christ" and the design represents the Good Shepherd. Underneath are the words "Rev. Jesse A. Cuninggim, North Carolina Conference, 1832 to 1899." Rev. J. Marvin Culbreath, pastor of this attractive little church which was established under the direction of Mr. Cuninggim while he was presiding elder, spoke briefly of the work that had been accomplished during the past year. The remodeling of the building and other improvements have cost over \$2,000. The church treasurer had on hand before this work was begun \$1,282. The Epworth members have since contributed \$414, and outsiders, mostly from the Edenton Street Methodist church, have given \$133. The church debt, including the balance for these improvements, amounted to \$700, but with the contribution Sunday and the aid received, only \$125 now remains to

Another club woman, Mrs. Haule, of Edgerton, Wis., tells how she was cured of irregularities and uterine trouble, terrible pains and backache, by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—A while ago my health began to fail because of female troubles. The doctor did not help me. I remembered that my mother had used Lydia E. Pinkham's Vegetable Compound on many occasions for irregularities and uterine troubles, and I felt sure that it could not harm me at any rate to give it a trial. "I was certainly glad to find that within a week I felt much better, the terrible pains in the back and side were beginning to cease, and at the time of menstruation I did not have nearly as serious a time as heretofore, so I continued its use for two months, and at the end of that time I was like a new woman. I really have never felt better in my life, have not had a sick headache since, and weigh 20 pounds more than I ever did, so I unhesitatingly recommend your medicine."—Mrs. MAY HAULE, Edgerton, Wis., Pres. Household Economics Club. —\$5000 forfeit if original of above letter proving genuineness cannot be produced.

HIS UMBRELLA A FIRE

But He Yelled "Fire" Thinking Store Was Burning

Sunday afternoon little groups stood near the electric fans in the drug stores trying to cool off. The pavement was fairly baking under the merciless rays of the sun. A few early visitors to the postoffice were wending their way homeward weathering the almost unbearable glare. Among these braves was Mr. E. E. Britton and Mr. Joe T. Bland. When they reached the Briggs building Mr. Britton came to a sudden halt and began to suspiciously sniff the air, holding his umbrella aloft. "I smell smoke," he declared. "That's right," assented Joe Bland, the armory up stairs is on fire sure." "You had better call Marcus Crocker as quick as you can and I'll stand here and watch," directed Mr. Britton. "All right and I will turn in the fire alarm" and Mr. Bland split the still air with the cry of fire and yells for Marcus Crocker. Mr. W. A. Linehan and others hastened to the rescue and immediately discovered the cause of the excitement. Mr. Britton's umbrella was on fire and seeing the smoke over his head he supposed that the fire issued from the armory two stories above. The fire was put out but not until a hole had been burned in the umbrella large enough for a man to put his head through.
