Oyster Bay, Sept. 25 .- President Roosevelt will spend from now until next Saturday, when he will leave Oyster Bay for Washington, hard at work upon his annual message to Congress. While much of it he cannot well our spirits." be put into final shape before discussing the various points and recommendations he will make with members of the cabinet, he is busily collecting his material and writing out a full synopsis

refer. That the president will advocate the federal control of life insrance companies appears certain beyond a doubt. At various times this summer he has taken counsel upon this question with Paul Morton, president of the Equitable Life Assurance Society, Senator John F. Dryden, president of the Prudential, who at the last session of Congress, introduced a bill in the Senate providing for govermental control; James Beck, formerly assisant attorney general, and now one of the counsel for the Mutual Life, all eminent au -thorities upon insurance matters. Only ast week the president pressed out the whole problem with Elihu Root, secretary of state. The one big stumbling block in the way of the enactment of such legislation is the possibility of the supreme court failing to uphold its
