abroad must not be taken to mean that his views will "widen out."

If the ears of the academy of music management did not burn yesterday there is nothing in being talked about.

With the Kansas corn crop worth \$75,000,000, it would seem to be a hefty proposition for the moonshiners to use it all.

It is said the president is going to divest the canal operations of red tape. This leads us to wonder what he will do with the graft.

Instead of discussing political questions, the candidates for gubernatorial honors in Georgia are simply discussing who will be governor.

accept fees for marrying people on the ness, we are reminded that there are ground that it is wrong to profit by lots of stingy people in the country. the misfortunes of others.

The weather man has gone off on another tack. After predicting rain for about four days without success he has simply announced "fair weather."

The Filipinos are said to have made a poor crop this year. Probably le the grass take the fields while the hands were busy admiring Mr. Taft.

It is no relief, from a pecuniary standpoint, for a man to pick out a small woman for his wife. Her clothes will cost just as much as a large one's.

A story writer has described Castro as the greatest man in South America. A little spurt of immigration from North America, however, would soon lay him in the shade.

They made M. Witte a LL. D. In New York. Slight compensation to the Russian government for the number of its countrymen who were made monkeys of by the Japanese.

"They say" it is not Mr. Butler's paper, but all the same you will find that the ex-senator will stand close

THIS IS STRONG ARGUMENT

Time and time again we have urged more care and consideration and protection for the song and insectiverous birds of the country. There are sociefies that have for their sole aim the protection of birds, still there are thousands of the little feathered beauties subjected to wanton destruction every year. In a late issue of the Florida Times-Union we find the fol-

"Over eight million dollars annually go towards saving the apple trees of this country from insects. Isn't it cheaper to have the birds do the work? One man in Florida this year planted peppers, peas and sunflowers throughout his grove in corners, to attract Annonymous communications will not the birds; now his neighbors are asking him why his trees remained free Brief letters of local news from any from insects and are surprised to hear section of the state will be thankfully he spent nothing for insecticides from the drug store."

This is strong argument in favor of Address all business letters and com- the birds. This man not only does not kill them but plants and grows stuff to attract them and keep them about MORNING POST is absolutely full and his place, and they save him thousands

POVERTY AND INTEMPERANCE

The relation between poverty and intemperance is very close. This is a of the New York Sun, and is the same fact that is generally accepted by stuwhich is known to be superior to any dents of social problems. Speaking service in any newspaper in the United along this line in a recent issue the States. This service is received night- Boston Traveler said: "The discouraged and insufficiently nourished man York Sun, and includes special cables drinks to keep up his spirits and his and domestic news and all commercial strength. There can be no question about it. Still there is another aspect Kimball Building, 1417 G. St. N. W | warm it, so he drinks in summer becausé he is hot and in winter because drinks not only because he is poor, mittee has decided to hold this meetbut also because he is not poor. Mr. Thomas P. Whittaker, a temperance leader in the British parliament, finds their paper and send in their renewal cline him to believe that the better N. C. trade is the more drinking there is. Now let some American sociologist or statistician determine whether in this country also prosperity is a fosterer of intoxication."

SPEAKING OF STINGINESS

The Whiteville News Reporter has discovered a stingy man as is a stingy man. That paper says:

"In last week's issue County Superintendent Wooten, in his education 1 department, told of a man who is a school committeeman in one of the districts of the county, who has made converted King Edward. But Edward out a bill against the board of education for the postage he has had to use in the little correspondence he has "Busy people are happy people," as- had to do as committeeman. We do serts a writer. Wender if he ever tried not know who this man is, nor do we downright stinginess he takes the cake. lectual ability of Mr. James Hazen sort of way; then he said, as he turned The fact that Mr. Bryan is going He should be classed with the fellow Hyde, who because of his youth and to go: who objected to the cyclist pumping his bicycle tire on his land because the led, rather than a leader. he objected to furnishing the air, and at the time it was blowing a gale; and that other fellow who would not drink branch water on his own land, Just for the sake of curiosity we'd but would go below the line and get it various forms of maladministration in like to know who is the biggest man off his neighbor's land. They are all the Equitable society. He it was who In the Philippines since Mr. Taft left. about on a par. And this man has a son eighteen years old who cannot before the public. The now silent as this. He has not sent that son of his to school because he was too infernal stingy to spare him from work. the straight and narrow path. Dewey's Case Continued

New Bern, N. C., Oct. 2.-Special. The criminal court for Craven county convened this morning, Judge E. B. Jones of Winston presiding. Thomas W. Dewy, the defaulting cashler of the Farmers and Merchants Bank, again appeared in court, represented by his attorney. A continuance was granted and a bond of \$40,000 was given by the same sureties, to await the opinion in his case which is now in the hands of the supreme court.

There was a report circulated in the streets tonight that three of the five judges were in favor of a new trial, others claim three of the five judges
