NATURE TELLS YOU

As Many a Raleigh Reader Know

Too Well

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills. Doan's Kidney Pills cure all kidney ills. W. R. Hood, formerly of 311 South Bloodworth street, employed in Whipple & Company's grocery store, says: "When I got my first box of Doan's Kidney Pills at the Bobbitt-Wynne Drug Company's store my kidneys had been giving me considerable trouble for a long time. I had a constant dull aching pain in the small of my back and across the hips, and my urine was very irregular. Sometimes I had to get out of bed a half dozen times during the night. Then again it would be very scant. That was when I had the most pain and worst pain in my back. The secretions were very dark and contained a heavy sediment. Since using the pills I have not had the pains at all and the secretions have been cleared up to their normal state." For sale by all dealers. Price 50 cents. Woman's Club Notes

The committee of the music department of the Woman's Club was fortunate in arranging a very unique program, music of twenty years ago, the rendition of which was most pleasing. Another interesting feature of Tuesday's meeting was the reading of anecdotes of the composers which told of incidents pathetic or otherwise, which inspired the compositions given.

The program was as follows: Overture—Mrs. Baumann and Miss Duncan. Solo—"Genevieve," Miss Lucie Tucker. Duet—"In the Starlight," Mrs. Dowell and Miss Briggs. Solo—"Nancy Lee," Mrs. Palmer Jermaine. Solo—"Then You'll Remember Me," Mrs. Love. Solo—"No Sir," Miss Eriggs. Duet—Mrs. Dowell and Miss Briggs.

By special invitation the delegates of the W. C. T. U. convention were present and with many club members spent a delightful afternoon with music of yore times. Miss Heck welcomed the guests presenting them with copies of the club's yearbook.

Friday the child study department held a very interesting meeting. Mrs. Litchford's and Mrs. Skinner's papers contained much of value as to "Hygiene in the Home," and "Diet for Children."

On Tuesday the 10th the literary department meets in the trustees room of the Raney Library at the usual hour 4:30 p. m.

The general meeting on Friday will be in charge of the domestic science department. Dr. Lewis will address the meeting which is sure to be of unusual interest.

Saturday 14th at the Centennial school will be held the first of the school children's flower exhibits. All children of the Centennial, Wiley, Murphy and High schools will compete for a prize to be given for the best exhibit as a whole. There will also be given a prize to the child of each school who has the best exhibit individually. The exhibit will be from 2 to 6:30 p. m.

The Woman's Club takes this means of thanking the Johnsonian Club for the kind invitation extended to its members to attend Mr. Brown's Shakespearean recital Thursday evening in the Olivia Raney Library Hall. This invitation is greatly appreciated by all club members.

PROCLAMATION!

FORMAL OPENING OF OUR

WINTER STOCK

AT THE BIG STORE

Monday Morning, Oct. 9th,

AND ALL THE WEEK

Monday morning the doors swing open wide. Everything is in readiness for the critical inspection by the people of Raleigh and vicinity. Late coming winter goods have arrived--Furs, Blankets, Underwear, Cloaks, Dress Goods and hosts of others. This is not only the opening of a grand winter stock, far surpassing anything in elegance and equipment heretofore offered, but also a mammoth demonstration of modern merchandising as conducted by Boylan-Pearce Company.

The tremendous purchasing power which is back of this establishment guarantees at all times the highest grades of merchandise at prices that are competition proof.

Kid Gloves

"La France" and "La Reine." Remember these splendid Gloves rank among the foremost with leading makers. These brands are made especially for us and are sold at such a close margin that the prices never change—namely, \$1.00 and \$1.50 per pair. White, black and leading colors. They are positively as good as can be produced for the price. Other gloves for street wear in Mocha and Australian Kid. Also Suede Kids for evening wear.

Face Veils

Paris, New York, London are all taken up with the "La Belle" Veiling—a mesh veiling with Chenille dots. It's real new and smart. You are absolutely out of the picture unless you wear this kind. All colors and combinations await you here.

Tailored Suits

Each day adds laurels to our already acknowledged superiority in the woman's tailored department. The stock is large and there's no end to variety. The materials are of the most approved and colors the most popular. We firmly believe, and have a right for so doing, that this department is turning out more suits than all other similar departments in the city. The reason is easily told—material, workmanship, fit, price.

Carpets

The largess selection ever display in the city—Wiltons, Velvets, Brussels, Moquettes, Tapestry and Ingrains. Any color scheme can be carried into effect. Art Squares in numerous colors and qualities; Rugs of all sizes in match patterns; also fine showing in Linoleums in plain and fancy designs. China, Jap and Cocoa Matting; Tracks, Runners, etc.

Blankets

Nights have already reminded you of the Blanket proposition which we wish to present you with. Time was when we asked you to anticipate your blanket needs late in July or early in August. We have dropped that order and learned that it is far better to work in needs with the hour. So now, when the greatest number of homes are going to discover the need of new bed covering we are going to offer you warm blankets at the lowest price.

Dress Goods

Our new Fall Dress Goods are here in great variety—such a remarkable display of wonderful values never before offered. You should visit our Dress Goods Department to fully appreciate our showing. It is exceptionally large. Plain shades in wool and worsted materials are being shown for Fall dresses; also quite a sprinkling of Scotch Plaids—all can be seen here.

Hosiery and Underwear

Season after season a large majority of Raleigh's discriminating women have depended on this store for their needs in Underwear and Hosiery—wisely so. Among the points of advantage which have contributed largely to the splendid success of each of these departments never were so strongly emphasized as in our present full line, are the excellent values continually offered, and the large assortment of carefully selected kinds from only the makers who give strictest attention to the details of shapeliness, as well as finish and quality. Remember, all needs can be furnished for ladies, misses, children and infants.

Millinery

Model Hats and Boylan-Pearce Company Hats, the most beautiful collection we have ever had and the finest Raleigh has ever seen. They are on dress parade now, and you will notice two things: First, that except for the label you cannot tell which are models and which are our own products. Second, that such beautiful hats are to be had in no other place in Raleigh for anything like as little money.

Rain Coats

We are proud of our Rain Coat stock just now. It's in fine shape. Pretty nearly all sorts you can think of. The sort women want, if the way they buy is any test. The simplest styles are in highest favor. Box and Semi-fitted with Straight Fronts generally—quiet and appropriate, sensible, yet cut with a thought of grace, too. Sizes for children, misses and ladies.

New Showing

Lace Curtains, Drapery, Neckwear, Children's Cloaks, Umbrellas, Shopping Bags, Bed Spreads, Handkerchiefs, Collars, Corsets and others.
