THREE FACTORIES IN 3 DAYS

Record for High Point-To Make

Mouldings the Latest Greensboro, N. C., Oct. 10 .- Special. High Point, N. C., Oct. 10 .- Special. The police are searching for a burly Three factories in three days is tha black negro who was seen last night record for High Point. Sunday the er-

Messrs. R. A. Wheeler, W. F. White and another gentleman are the prometers of the new enterprise for High Point. The line to be manufactured at first will consist of decorative mouldings for furniture of all kinds, street cars, store fixtures, show cares, London, Oct. 10 .- Charlemagne Tower, etc. Other lines will be added lets: ture frames, and other fine work in

The capital stock of the company will be ample and work will commence as soon as the machinery can be purchased and installed. The large building of Mr. O. A. Kirkman on th (main line of the Southern Railway, in the western part of the city, has been secured. This building is especially arranged for such a business

and already has access to sidetracks. The establishing of this factory here means much to the manufacturers of High Point and other towns in the state and south. The manufacturers here use more or less of these mouldings and it will prove a great convenience to them as most of these goods are now bought quite a distance

STATE OF CONNECTICUT,

Office of the Insurance Commissioner,

Hartford, November 21, 1904. Hon. Morgan G. Bulkeley, president, Aetna Life Insurance Company, Hart-

Dear Sir: You will find enclosed herewith a copy of the report of the examination of your company that was recently made by this department in compliance with the law providing for such examinations. The work began on the 19th day of April and ended October 24th, 1904. The result of the extime this matter has hung fire from amiantion is very gratifying to the department and fully confirms the state. one cause and another. A year or ment of the company as to its financial condition. The figures show the surplus of the company as the result of this examination to be \$3,047,248.41 more than was claimed in the statement filed with this department. The larger surplus shown by the department's figures arises mainly from the pear yet. The rumor now is that not fact that you have charged yourselves with a special reserve liability of more than \$2,000,000 above that required by the statutes. The investigation makes it quite apparent that the company is leading fairly with the policyholders and complying with all the requirements of the law.

Respectfully yours, THERON UPSON.

Commissioner.
