> The senator continues: "It is becommission or in any other political justices of the supreme court and such thing can be shown. Your talk and the senate is likewise gratituous. I do not think the president desires a test with the senate and I know the senate does not desire a contest 'with the president. At the same time I think the president will do his duty

according to his best judgment without fear and I think the senate will do the same."

Senator Foraker says he has drawn a bill which will be presented November 15, when the interstate commerce committee meets in which the "corriers can be required to make not only reasonable through but reasonable local rates. Whether the carriers can be enjoined from reducing rates below a minimum named will be a question for the courts to determine. When a complaint is made it shall be the duty of the court to proceed summarily to enact it to do so, postponing all other desire.
