These letters were written in answer to inquiries from the governor and treated matters pertaining to the trial. Neither one recommended the pardon and said that the trial in the superior court was absoldtely fair, but leaving the governor to act at his discretion with the idea implied that there might be grounds for granting the pardon asked for.

Quite a delegation came from Durham to lend the influence of their presence for the pardon. Among these was an uncle of W. R. Murray and brother of the deceased. CRISIS OF GIRLHOOD

A TIME OF PAIN AND PERIL

Miss Emma Cole Says that Lydia R Pinkham's Vegetable Compound has

Saved Her Life and Made Her Wal

How many lives of beautiful young girls have been sacrificed just as they were ripening into womanhood! How many irregularities or displacements have been developed at this important period, resulting in years of suffering!

Girls' modesty and oversensitiveness often puzzle their mothers and baffle physicians, because they withhold their

confidence at this critical period.

A mother should come to her child's aid and remember that Lydia E. Pink-ham's Vegetable Compound will at this time prepare the system for the coming change and start the menstrual period in a young girl's life without pain or irregularities.

Miss Emma Cole of Tullahoma, Tenn.

"When fourteen years of age I suffered almost constant pain, and for two or three years I had soreness and pain in my side headaches and was dizzy and nervous, and doctors all failed to help me.

"Lydia E. Pinkham's Vegetable Compound was recommended, and after taking it my health began to improve rapidly, and I think it saved my life. I sincerely hope my experience will be a help to other girls who are passing from girlhood to womanhood, for I know your Compound will do as much for them."
