DEM. CONG. CONVENTIONS.

2nd District, Kinston, Sept. 3rd.

THE TIME HAS COME.

In North Carolina there are a number | trict was not present yesterday at the of honest white men who vote the Re- so called convention of negroes and publican ticket, but very few of them | revenue officers that nominated PROF. attended the Republican convention here | ALEXANDER MCIVER for Congress this week. These men are getting in the Fourth District. It was a crowd very tired of affiliating with a party of such men as no man would choose to which, in spite of them, is an enemy to transact business for him. Broken down good government in North Carolina, and dilapidated white Ra al politicians, and of late they have grown specially blooming Revenue of men blustering restive under the indignities heaped and fussy negroes - these were the men upon their State and section by the who made the nomination. We are writing now of honest Young (col.), of Wake county, (or white Republicans-not the fellows Georgia) were the bosses of the body, whose "Republicanism is office deep and and the dictators of the action of the dollar wide." We wish they could have convention. The "1868 issue" Radi witnessed the disgraceful Republican cal was on hand as large as life and convention held in the city on Wednesday. That is the posection and State. Some of the litical record of the nominee, and it is best men who ever lived in North a record of which, as an educated citi-Carolina opposed the war, and were zen and as a man of affairs, Prof. Mcfirm in their allegiance to the union Iven ought to be ashamed. We speak of his pomay have been the seeming proscription litical affiliations and of the recof the past, the time has come for all pa- ord of the corrupt party to which triotic Southerners to bury the past and stand shoulder to shoulder for the honor and fair name of their State. The past is past. The bounding life of this generation, while honoring the bravery of the great men who have given glory to our history, is living in the present and working for the future. The Democratic party does not expect or desire any man to surrender convictions upon past questions to come into its fold. It is willing for him to have his honest convictions. He has to surrender no sentiment or cherished memory. It is a LIVING party, and it is dealing with LIVING issues—issues that concern the material prosperity of every citizen of the indestructible Union of the States, and which alone will promote the glory and prosperity of the South. No other party is just or fair to Southern men. No other party seeks to promote the South equally with all other sections. The Democratic party is not a sectional party in any sense. On the contrary, it is the only party that declares that the war is over-that war questions are settled-and holds every portion of this country equally dear. Its policy and its principles are suitable to every age and every section, and it has its hosts in every

Foust, of Alamance vote the evening of his life to those pur--life-long Republicans-who declare not see how a decent white man can remain in the Republican party. After lities, where he is deemed to nothing but week, and its rowdyism, there is all the more reason why respectable and patriotic North Carolinians should dissolve connection with so disgraceful a mob. The CHRONICLE looks to see quite a number of honest Quakers and others, who be-

came Republicans on account of war questions, leave that party, and join with their neighbors in the work of building up the glorious old State in which they live. If they had witnessed the scenes yesterday, they would be all the more inclined to leave the Repub lican party. Patriotism calls upon has been prostituted to the base end of seeking to degrade their State. Consistency demands that they shall denounce the party which they have honestly supported in the past because of its virulence toward their section and its betrayal of its promises.

Now is the set time for honest North Carolina Republicans to show their patriotism and their love for their State by repudiating the party which has been unjust and untrue to them. The CHRON-ICLE (speaking for the Democratic party) extends a cordial welcome to Dr. Foust, MR. MOORE, and the others who have already repudiated the Sectional-Republican party. A cordial welcome awaits all others who desire to be true to themselves, their State, and their country.

AN 1868 RADICAL NOMINATED FOR CONGRESS.

It is to be regretted that every white voter in the Fourth Congressional dis twice as natural. He was rejoiced to nominate a Radical of the 1868 school; Most Southern Republicans who are a radical who has been a consistent, honest have voted the Republican ticket | deep-dyed, bitter partizan ever since the who, though not personally dishonest, We shall not wage a personal he belongs. He has chosen his party. He stands as its representative. He is on that platform—a Radical of life-long record and a Radical in the days when Radicalism tried to ruin the State, and did steal all its school fund.

Why was PROF. McIver nominated? About the time that JOHN WILLIAMSON, the colored boss, announced that the negroes would hold a convention to demand more offices, he began to discuss a candidate for Congress in the Fourth district. John Williamson-the colored boss—in his paper—the Gazette, declared Releigh. Auction sales will be made at 4:30 in favor of nominating PROF. McIVER for Congress. This was the first mention made of McIver and as John WILLIAMSON (col.) discovered him and nominated him, he is John's candidate. It evidently pleased the old gentleman'as he had been cultivating the Alliance assiduously for some months hoping to get their support. He has been retailing a great deal of "non-partizan" rot and gush in the hope that he could pull the wool over the eyes of Democratic Alliancemen. The white Alliancemen in the Fourth district see now that while PROF. McIVER believes in non-partizanship for them, he believes in Radical nominations and a solid negro vote for HIMSELF. "With a solid negro vote," argues the Professor to himyears voted the Republican ticket be- self, doubtless, "I will only need about cause of war questions ought now-and 1,000 votes. If we do not sell a single yard of carpet this week, we can still say Saturday night, when we are through work, that we have done the biggest business in this line of stuff that has ever been done in Raleigh during August.

Some may ask, what is the cause?

Early in the month we began showing a line of carpets as large as is ordinarily brought out for regular Fall trade. The completeness of the stock, together with lower prices than the same grades had formerly sold for, caused many to buy early.

Last week was added new attractions. This week we want to close out some prtterns that are not brand new, and to do so, we will make it to your interest to buy now.
