

REGISTER.

There are only two days now before Registration closes. Let every Democrat register and see that his neighbor does likewise.

A REMEDY IS POSSIBLE.

The first beginning of a remedy is that some one believe a remedy possible. Believe that, if he cannot live by truth, then he can die by it. Dost thou believe it? Then it is the new era begun.—Carlyle.

One reason why Wake county has usually gone Republican is because the Democrats have been doubters, and whenever a ticket was nominated, lots of fellows went around said: "Well, I'll vote for it, but I do not believe that the ticket can be elected, and they whined, and talked gloomy and despondent and made everybody blue that heard them. Away with such cant and lack of faith! The CHRONICLE believes—nay the CHRONICLE knows—that Wake can be redeemed. Let's quit talking in a half-hearted way and go to work, and kick out all the Radicals and "take a look at the books."

Let the white people of Wake county remember that every vote cast for CHARLIE UPCHURCH, HOOVER & Co., or any one of them, is a vote against our admirable county government system, which saved so many counties of the State from utter ruin and absolute bankruptcy. Why? Because the Republican party has formed a league with all that is evil, and sworn by all their idol gods, that they will neither eat nor drink, nor take political rest until they have succeeded in repealing our county government system. The negroes are the Republican party of Wake county, and the two Charlies, UPCHURCH and HOOVER, belong to the Republican party.

Let the white people of Wake county remember that every vote cast for CHARLIE UPCHURCH, HOOVER & Co. or any one of them, is a vote for the repeal of the municipal government of our towns and cities, which means drunken negro policemen, and imbecility, venality and corruption in city and town government. Why? Because the negroes are in favor of the repeal of these wholesome municipal laws, and they are the Republican party of Wake county, and the two Charlies, HOOVER and UPCHURCH, belong to the Republican party.

The Raleigh Signal charges that Mr. JOHN W. THOMPSON, the Democratic nominee for clerk, attacked Mr. W. G. UPCHURCH for lobbying the stock law bill through the Legislature. The facts are: At Robertson's CEAS UPCHURCH denounced the Democrats for having passed the stock law. Mr. THOMPSON replied that Mr. W. G. UPCHURCH, who was supporting Brother-in-law CHARLES D., was one of the men that lobbied the bill through the Legislature. That was all there was of the attack.

Let the white men of Wake county remember that every vote cast for CHAS UPCHURCH, HOOVER & Co., or any of them, is a vote for that abominable Force bill, and for Federal Bayonets at the polls, a clause which was conceived in hell and born in hissing hate. Why? Because the Republican party favors it, and the negroes are the Republican party of Wake, and the two Charlies, UPCHURCH and HOOVER, belong to the Republican party.

Let the white people remember that every vote cast for CHARLIE UPCHURCH, HOOVER & Co., or any one of them is a vote for the degradation and humiliation of the people of the State. Why? Because the Republican party has and is doing all that it can to humiliate and degrade this gallant South-land, and the negroes are the Republican party of Wake county, and the two Charlies, UPCHURCH and HOOVER, belong to the Republican party.

Let the white people of Wake county remember that every vote cast for CHARLIE UPCHURCH, HOOVER & Co., or any one of them is a vote for the civil rights and social equality idea of the Republican party. Why? Because the negroes favor it, and they are the Republican party of Wake, and the two Charlies, UPCHURCH and HOOVER, belong to the Republican party.

Let the white men of Wake county remember that every vote cast for CHARLIE UPCHURCH, HOOVER & Co., or any one of them is a vote for negro supremacy. Why? Because the Republican party favors it, and the negroes are the Republican party of Wake, and the two Charlies, HOOVER and UPCHURCH belong to the Republican party.

A prominent North Carolina editor, in a private letter, says: "The CHRONICLE is waking up Wake. Hope you will come out at the right end of the horn."

We will, if men who call themselves Democrats do not act the part of traitors to the party for pay or favor on election day.

You are no Sardinian.

Of course not, but all the same a fine sardine is a good thing. Rich in flavor, not too salty, in fine oil, no bones to speak of. If you know what a good sardine is, we can supply you. The Convocation of Raleigh is holding its annual session at Pittsboro and will continue in session three days from yesterday. The Convocation of Raleigh is composed of the Episcopal churches at Raleigh and in the surrounding counties of Chatham, Durham, Orange, Granville, Vance and Franklin.

West Morgan street ought to be opened up. The city authorities might look after this at once, and be ready to confer with the county commissioners at their next monthly meeting with a view to extending the street and road to the Aven's ferry road. What's the use of waiting? "To wait" is not the proper thing of the present day.

TWO GREAT THROUGH LINES.

Raleigh Promises to Be a Great Railroad Centre--With One Grand Trunk Line from North to South--And Another from East to West.

The CHRONICLE this morning prints a special from Winston showing how a great trunk line will run via Raleigh from Norfolk to Bristol, making one of the most important transportation lines in this whole country running from east to west. The information is authentic, and the indications are that the scheme will be put through at an early day.

It is already known that work is rapidly progressing on the Georgia, Carolina & Northern road from Monroe to Atlanta, which, when completed, will make the most direct through line running from north to south in the coast States, and that line will run through Raleigh.

These are facts. Raleigh is the coming place. The CHRONICLE has always said it. Now everybody wake up and help make things move.

A BEAUTIFUL AUTUMN WEDDING.

The Marriage of Mr. Lewis M. Neal and Miss Nannie Graves Womack.

A beautiful autumn wedding occurred in this city yesterday at 2:30 o'clock p. m., at the mansion of Mrs. Virginia B. Swepson, aunt of the bride, it being the marriage of Mr. Lewis M. Neal and Miss Nannie Graves Womack, both of Yanceyville, N. C. The ceremony was performed by Rev. Dr. J. W. Carter and Rev. Dr. Thos. E. Skinner.

The attendants were Mr. Danridge Neal and Miss Susie Timberlake, and Mr. J. D. Joyner and Miss Jeannette Andrews.

The marriage service was performed in the mansion parlor, which was made a lovely and charming room by elegant and tasty decorative work in floral designs.

After the ceremony, happy and cordial congratulations were extended by friends, and then the party repaired to the dining saloon, where a rich and recherche repast was served from solid silver service. This apartment had also fallen into the hands of friends, who had made it surpassingly beautiful with tasty decorative work in autumn leaves, dahlias and choice roses. The autumn leaves were woven into lovely wreaths, were very prettily bestowed about the room and the rich and variegated autumnal tints produced a charming effect. The dahlias and roses were combined and interwoven into beautiful designs and centerpieces for table ornamentation, and pyramids of rare fruits, including delicious fresh peaches, constituted a part of the table spread and ornament.

Among the invited guests present were Mr. and Mrs. Alfred Williams, Mrs. Dr. Thos. E. Skinner, Mrs. Dr. J. W. Carter, Mr. and Mrs. T. H. Briggs, Miss Jerman, Mr. B. S. Jerman, Mrs. Dr. C. Durham, Capt. and Mrs. J. J. Thomas, Mrs. Lottie McAden, Mrs. T. N. Richardson, Mr. and Mrs. G. Rosenthal, Mr. and Mrs. J. W. Wiggins, Mr. and Mrs. M. T. Norris.

The bride's costume was a very handsome dinner dress of blue Faille silk, enhanced with gold brocade. She wore rich diamond ornaments and carried Marechal Neil roses.

The bridesmaids' costumes were very unique and pretty. Miss Timberlake wore a suit of pretty design in cream chaille, and carried a bouquet of La France roses. Miss Andrews' costume was of the same design in pink chaille, and she carried a bouquet of Perle des Jardin roses.

The bride was the recipient of many very rich and handsome presents from friends and members of the family. At 4:45 o'clock the bridal couple, attended by some friends, took the west bound train for their home in Yanceyville, and there went with them the truest and sincerest wishes of many friends for a long life of felicity.

No More Liquor.

(Concord Standard.)

Judge Merrimon has caused a decided sensation by intimating an opinion that the saloon keepers in Marion are violating the law every time they sell a drink of whiskey, and that the licenses under which they are selling are absolutely void. In deference to the opinion of the Court, Solicitor Bower prepared the bills of indictment against the proprietors of the licensed saloons there, and they will be brought into court and tried for violation of prohibitory statutes. The town last spring held some kind of an election, and the liquor men carried the day, and thereupon the saloons were licensed by the town and by the county. Judge Merrimon holds that the election was without warrant of law, and void, and that the license issued the saloon keepers will not protect them.

Last Thursday, V. Mauney, Esq., of Stanly county, father of lawyer J. W. Mauney, of Salisbury, lost the four fingers of his right hand, while attempting to remove the bat from the saw in his cotton gin. The index finger is all gone, but the stump, while all three of the other fingers were torn off by the saw. The thumb was not injured.—Cor. Charlotte Chronicle.

THE COUNTY CANVASS.

The Democrats Have the Best of the Discussion--The Outlook Bright for Democracy.

The county canvass this week has been full of interest and the Democratic speakers have made fine impressions at every appointment. The indications of a sweeping Democratic victory are encouraging, and the Radical candidates are scared. They grow weaker in the county every day, and see defeat staring them in the face unless they can carry Raleigh. That is the question that now confronts the people of this city.

In his speech at several places UPCHURCH said that there were 73 lawyers in Raleigh, and the Supreme court had recently turned out ten more and that every one of them was against that every one of them was against him because he gave the people advice and saved them lawyers' fees, and they wanted to get him out for the purpose of robbing the people. Mr. THOMPSON said that there were about forty lawyers in Raleigh and UPCHURCH said that "four were enough to rob the people." Mr. THOMPSON replied that UPCHURCH had a right only to speak for Loge Harris and those lawyers who were supporting him. He was near them and with them. Mr. Thompson opposed all robbery, including the McKinley bill and the Radical steals, and drove home to UPCHURCH the rascality of his party and their systematic robbery of the people. The candidates speak at Gray's Store in Swift Creek township to-day.

WAKE COUNTY CANVASS.

The Democratic and Republican candidates for the Legislature, and the county offices will address the people of Wake county at the following times and places. Let all the people be present and hear the issues discussed: Gray's Store--Thurs. say, Oct. 23. Smith's--Friday, Oct. 24. Garuer's--Saturday, Oct. 25.

Trunks and Carpets.

Most every person, male and female, has need of trunks and carpets and should be glad to know where they can find the best trunk or the best carpet for their hard-earned money. Now most everybody knows that when we come out and say our ammunition wagons are loaded down, and our forces are drawn up in line of battle, and that we are ready for the fight, they know that we are really ready, and that we expect to whip. Now, we have succeeded in making a deal with a trunk factory for a lot of their goods, and we have the goods in this morning. We have made some prices to a carpet house and they have accepted the prices, and we have the goods in store far below the price, even before the tariff bill was passed. See them at SWINDELL'S.

THE WORLD'S COMMERCE.

New York, October 23.—Messrs. Hubbard, Price & Company, in their cotton circular to-night say: "The Liverpool market this morning opened at an advance of 1 1/4, lost it, recovered it, and finally closed barely steady at about last night's prices. Spot sales are 10,000 bales, and the larger business in this department gives evidence of rather more disposition on the part of spinners to secure their supplies of raw material at present prices. This market has been rather more active. It opened at almost one point under last night's prices, but quickly improved, January selling at 10 1/2 during the forenoon. The market closed about four points for the highest figures."

Receipts at the ports estimated at 45,000 bales, against 42,865 bales last week, and 48,403 bales last year.

The spot market steady at unchanged prices; middling uplands 10 1/4; sales 5 1/8 bales.
