NUMBER 94.

ALL QUIET IN CHICAGO.

THE BADGE-BEDEDDED, DRIP- PING DEMOCRATS HAVE LEFT.

Most of the Delegates Satisfied—Part-
ing Words as They Leave the Scene
of the Late Convention.

CHICAGO, Ill., June 24.—In the ab-
sence of the crowds of badge-bedecked,
dripping democrats who invaded the city
last Monday, the streets to-day present a
comparatively quiet appearance. Most
of the delegates left last night for their
homes, happy or disgruntled, according
to the success or defeat of the favorite
son whom they had championed.

Governor Gray's little army of boom-
ers went back to Indiana last night,
fired and disgraced. Nearly all of them
left the city on late trains. Many of the
lows clubs also took their depart-
ure last night, but many still re-
main. The Hawkeyes are not at all dis-
gruntled. They took the defeat of Boies
with equanimity, the more so, it is
believed, because they at no time really
hoped to nominate him. Their idea was
to put him in training. State Senator
Shields, chairman of the Iowa delega-
tion, said that not a man who was here
to promote the candidacy of Governor
Boies would be found lazy or sluggish
in the campaign for Cleveland and Ste-
venson. Tammany left town last night.
Their leaders, when asked about the
ticket, faced the situation with all the
resignation that could be expected. They
told everybody that Tammany and the
regular democracy of New York State
bowed cheerfully to the will of the peo-
ple as expressed in the convention. They
were democrats first, last and all the
time, and no matter how bitter the pill
they had to swallow they would gulp it
down and take off their coats to work for
success in November.

The Syracuse crowd, the anti-snappers,
left to-day. They passed the night in a
series of impromptu jollification meet-
ings. One of these was held in Mr.
Fairchild's room. There was a regular
love feast in which stump speeches and
wine were the important features. Mr.
Fairchild spoke at considerable length
and declared that the men whom he had
led to Chicago would do nothing to an-
tagonize the Tammany people. Earnest
work, however, would be done in behalf
of Mr. Cleveland, but it would be quiet
in his character.

As to the Southerners.
As for the Southern folks there is con-
siderable diversity of opinion as to the
result of the convention. Most of them
are satisfied, but two of the delegations
at least will go home with heavy hearts.
North Carolina and South Carolina
never had much hope, after the conven-
tion opened that there would be suffi-
cient opposition to Mr. Cleveland to pre-
vent his nomination. The delegates,
however, held together and voted from
first to last as they had planned. One
of the leading delegates from the Pal-
metto State said this morning: "I shall
go home and work for the ticket, but I
fear that the Farmers' Alliance will gain
more impetus and that the party will
be so strong in our State we shall come
in second best. I cannot say that the
republicans are likely to secure the elec-
toral votes, but that party will also be
come stronger than it has been hereto-
fore. Seriously, there is great danger
of our losing the State." The members
of the delegation did not show any in-
terest in the nomination of vice presi-
dent since, they said, it made little dif-
ference who was named for second place.
The delegation will return home to-day.
The free silver question is what wor-
ries the Southerners, and that, too, is
the sore spot for the Colorado men and
other silver State delegations. Alto-
gether, however, the sentiment of the
great majority of the delegates is satis-
faction with the ticket, and the platform.
The leaders of the democratic hosts be-
lieve that all differences will be recon-
ciled and that the party will present an
unbroken front when it meets its great
opponent in November.

The Ex-President Enjoying Life at Buzzards Bay.

BUZZARDS BAY, Mass., June 24.—
Ex-President Cleveland is quietly enjoy-
ing summer life at his villa here to-day
and seems to have recovered from the
excitement of the past few days. In
conversation he speaks highly of Gen.
Stevenson who is to be his colleague on
the national ticket. He says he expects
to remain at Gray Gables during the
summer, as he is very fond of salt water
baths and good fishing. He, however,
will go to New York when the notifica-
tion committee is ready to meet him, as
he prefers to receive the formal notifica-
tion of his nomination in his own State.

Gen. Stevenson Opens the Campaign.

CHICAGO, June 24.—Gen. Adlai E.
Stevenson, candidate for vice-president,
opened the campaign in parlor "09" of
the Palmer house this morning. A great
many visitors called in the forenoon. To
a United Press reporter, Gen. Stevenson
said: "I believe we can carry Illinois
for the democratic ticket this fall. I
don't say so because I am on that ticket.
With Cleveland and Gray, or Cleveland
and Boies we could do it. The people
are ready for a change and they want to
see a return to a government by the peo-
ple—the old Jeffersonian democracy."

Navy Detachments Yesterday.

WASHINGTON, June 24.—Lieutenant
Commander O. W. Farenholt has been
detached from the navy yard at Boston
and ordered to duty as the lighthouse in-
spector. Lieutenant Commander W. W.
Rhodes detached from duty as the light-
house inspector and ordered to settle ac-
counts, and await orders.

Louisiana Senatorial Election.

BATON ROUGE, La., June 24.—Merely
complimentary votes were cast in to-
day's Senatorial ballot, Mr. Gaffrey says
he is out of the race. There is very lit-
tle doubt now that the election will be
postponed for two years.

CONGRESSMEN TALKING IT OVER.

Mr. O'Ferrell, of Virginia, a Strong Supporter of the Ex-President.

WASHINGTON, June 24.—About one
hundred Congressmen climbed capitol
hill to-day in the sultry heat only to
march down again without accomplishing
anything. They gathered in groups
about the House and discussed the polit-
ical situation. The general expression
of opinion was one of entire satisfaction
with the nomination of Gen. Stevenson,
who, it was claimed, will add material
to the ticket. Some sanguine democrats
said that the ticket would carry Illinois
as well as Indiana. Others believed that
the failure to nominate Gray was a fatal
mistake and that many Indiana dem-
ocrats would bolt the ticket. Mr.
O'Ferrell, of Virginia, returned this
morning from his district where he says
great enthusiasm prevails over Mr.
Cleveland's nomination. He beamed
with delight when the subject was
brought up and said: "No stronger ticket
could have been nominated and it will
sweep the country from Maine to Cali-
fornia. Tammany Hall cannot afford to
knife Mr. Cleveland, and I firmly believe
they will fall into line and work hard
for the ticket. Cleveland is universally
popular and he will carry all the doubt-
ful States, in my opinion."

A Fatal Duel—Arrest Follows.

PARIS, June 24.—A warrant has been
issued for the arrest of the Marquis De
Mores and the seconds in the duel which
resulted yesterday in the death of Capt.
Mayer, of the engineer corps. The
Marquis expresses deep sorrow at the
fatal outcome of the duel. He says that
the combat was fought under conditions
that ought to have prevented a fatal
issue. The Marquis shook hands with
his dying opponent before leaving the
field.

National Committee to Meet in July.

CHICAGO, June 24.—Senator Gorman
said this morning that the National
committee would meet in New York
some time between July 10 and 20 to
prepare for the campaign. He had
heard, he said, that Mr. Harrity, of Pen-
sylvania, would be a candidate for the
chairmanship. Mr. Quincy, of Massa-
chusetts, had also been talked of. From
another source, it was learned that Mr.
Harrity would not accept the place.

Gray Did Not Seek the Nomination.

INDIANAPOLIS, Ind., June 24.—Ex-
Governor Gray said, after he had heard
the news: "I was not a candidate for
vice-president and did not desire the
nomination. At a meeting of a number
of my friends of the delegation held last
Thursday, I informed them that I did
not want them to put me forward for
the vice-presidency, nor to make ar-
rangements to bring about my nomina-
tion."

The Famous Morrison Gang Run Down at Last.

BIRMINGHAM, Ala., June 24.—Jim and
Jack Morrison, of the Morrison gang,
were run down by a detective and a guide
yesterday. When ordered to hold up
their hands the Morrissions drew their
revolvers and began firing. The officer
replied in kind, with the result that Jim
was killed and Jack fatally wounded.
The officer received a slight flesh wound.

Ryan, the Express Robber, Still at Large.

WASHINGTON, June 24.—Every effort
has been made by the officials of the
United States express company to cap-
ture Edwin J. Ryan, the missing money
clerk who absconded Tuesday night with
\$30,000 in the company's charge for
shipment. No trace of him has yet been
found. The express company has paid
to the banks the amount stolen.

A Fatal Land Slide.

ROME, June 24.—Five persons are be-
lieved to have perished and twenty are
known to be injured by a land slide on
the railway near Monte Sasso. Several
houses were buried by the land slide, and
five of the inmates are missing. People
are busily engaged in digging for those
who are missing, and a large multitude
is gathered at the scene.

Light Failures This Week.

NEW YORK, June 24.—The business
failures during the last seven days as
reported by R. G. Dunn & Co., number
for the United States 176, Canada 14;
total 190, as compared with 179 last
week, 192 the week previous to the last
and 234 for the corresponding week last
year.

The Courier Journal Will Support the Nominees.

LOUISVILLE, Ky., June 24.—Henry
Watterson's paper says regarding the
Chicago nominations: "The Courier
Journal accepts the results with no feel-
ing of dissatisfaction or disappointment;
on the contrary it finds us fully prepared
to support it sincerely and heartily."

To be Officially Informed July 11th.

CHICAGO, Ill., June 24.—The commit-
tee appointed by the democratic conven-
tion to notify the nominees of their se-
lection has selected July 11th as the date
on which the candidates will be notified.
Congressman W. L. Wilson, of West Vir-
ginia, has been made chairman of the
committee.

An Exile in a Foreign Land.

PORT OF SPAIN, Trinidad, June 24.—
Dr. Andueza Palaco, ex-dictator of Vene-
zuela, and now an exile from his native
land, arrived at Martinique on his way
to Europe.

THE OMAHA CANDIDATE.

JUDGE GRESHAM, OF ILLINOIS, SPOKEN OF FOR PRESIDENT.

The Committee Looking Out For a
Man Since the Death of Col. Polk.
Other Matters.

ST. LOUIS, June 24.—Mr. H. E. Taub-
eneck, chairman of the national execu-
tive committee of the people's party,
when asked by a United Press repre-
sentative this morning concerning the
report that Judge Gresham would accept
the nomination at the hands of his party,
said that he had, as yet, "no positive as-
surance. I received a letter from
Mr. Lester Hubbard, editor of the Van-
guard this morning, in which he says:
"A delegation of our party had a con-
ference with Judge Gresham last even-
ing and all agreed that he would accept
the nomination. While in Chicago Mon-
day and Tuesday I met a number of the
leaders and they feel confident that
Judge Gresham would accept the nomi-
nation. Gen. Warner, of Ohio, Presi-
dent of the Bi-metallic league, had a
long conversation with Mr. Gresham
Tuesday morning and feels confident he
would accept."

Continuing, Mr. Taubeneck said: It
remains for Judge Gresham to make
some positive announcement. With him
as our leader, Harrison or Cleveland can-
not carry a State west of the Mississippi.
His nomination would throw the presi-
dential election into the house. "Most
assuredly, but get there any how."
"Could he carry any State east of the
Mississippi?" "Henry Watterson said
at Chicago on Monday last that Gresham
would wait the first victory from the
democracy of Kentucky, and those are
my sentiments."

Editor Dunn Plainly on the South and the Force Bill.

NEW YORK, June 24.—The Sun this
morning in commenting upon the Chicago
nomination says: "There is one question
depending on the election of the next
President which in its momentous im-
portance and vital imperativeness must
seem to every philosophic observer to ex-
ceed every other political question that
the people are now called upon to de-
termine. We mean the question whether
those Southern States which have in-
herited a negro population surpassing the
number of their white citizens, shall,
by Federal law and Federal military
force, be subjected to the political domi-
nation of the negroes. The republican
party is by its nature and traditions un-
der the necessity of enacting and exe-
cuting an election law whose purpose
and effect will be to put the negroes in
control of several of the Southern States.
On the other hand and by the nature
and necessity of the ideas involved the
success of the democratic party is death
to the force bill project. Killed in this
election, it can never be revived. In this
view of the contest, what conscientious
democrat can hesitate about his duty?
Better vote for the liberty and the white
government of the Southern States even
if the candidate were the devil himself
rather than consent to the election of
respectable Benjamin Harrison with a
force bill in his pocket."

Foreign Press on the Nomination.

LONDON, June 24.—The Star says that
the dignified silence of Mr. Cleveland
before and during the Chicago conven-
tion contrasts favorably with the osten-
tation wire pulling of Mr. Blaine and
President Harrison. Mr. Cleveland, the
Star says, is the type of the American
statesman. If he does not win in the
coming election it will be because he is
too sound a reformer.

The Fair Tennis Champion.

PHILADELPHIA, June 24.—Miss Mabel
E. Cahill, of the New York Tennis club,
again won the title of champion lady
lawn tennis player of the United States
and retained possession of the Wiss-
chickon Cup this afternoon, at Wis-
sahickon heights.

The Central is Solid, It is Said.

SAVANNAH, Ga., June 24.—President
Comer, of the central railroad, denied
most emphatically tonight the rumors
that have been set afloat that the central
will not make its July obligations. He
says there is absolutely no foundation
for them.

The Oldest Naval Chaplain Dead.

SAVANNAH, Ga., June 24.—Rev. Ches-

lain, died here to-day in the 89th year
of his age. The body will be sent to Wor-
cester, Mass., for burial.

Lemon Luncheon was given at Hotel
Ingold last night by Mr. and Mrs. F. N.
Ingold, proving to be the most elegant
social event of the season. Below we
give the names of the participants, who,
with one accord agree that it was the
most pleasant event of their lives. Miss

Tom Dixon Held for the Grand Jury.

In New York Thursday, Justice Grady
rendered his decision in the case of Rev.
Thos. Dixon, Jr., who was arrested on
the complaint of Excise Commissioner
Joseph Koch, who charged him with
criminal libel. The Rev. Mr. Dixon is
held for the grand jury. He was, how-
ever, paroled in the custody of his lawyer,
Col. Abner. Justice Grady said he
failed to find during the examination
that Koch was individually responsible
for the delay of the excise board in giv-
ing its decision upon saloons that were
open on election day.

HEALTHY CONDITIONS.

R. G. Dunn & Co's Trade Report Will Give Encouraging Outlook.

NEW YORK, June 24.—R. G. Dunn &
Co's. weekly review of the trade will
say: "Another week has blessed the coun-
try with great improvement in the
growing crops. In wheat so great a
change of condition appears that men be-
gin to question whether the yield this
year will not closely approximate the un-
precedented crop of 1891. For other
grain and cotton the out-look is decid-
edly better, and there is reason now to
hope for highly satisfactory results from
the years Agriculture. In consequence
there is stronger trade through the coun-
try, especially at Western centres of dis-
tribution. The improvement is less mar-
ked at the south, owing to the very low
price of cotton, and continued high wa-
ter in some regions.

At Louisville trade is satisfactory and
improving, but business at Memphis is
inactive and at New Orleans dull on ac-
count of high water. At Savannah
trade is above the average in all branches
and prospects are favorable. Specula-
tion has not been especially active, and
wheat is unchanged in price. In cotton
no change in price appears, though
590,000 bales for the week and the week's
receipts have been larger than a year ago.
In every part of the country money is in
abundant supply and the demand at
nearly all points is only moderate, col-
lections being generally quite satis-
factory for the season.

Will Judge Gresham be the Third Party Presidential Candidate?

CHICAGO, June 24.—A report was pub-
lished this morning to the effect that a
committee of representatives of the
Knights of Labor, the Farmers' Alliance
of this State and Texas and several other
had an interview last night with Judge
Gresham at his residence, at which they
urged him to allow his name to be used
as the presidential candidate of the third
party at the Omaha convention; but that
in reply he intimated that he doubted
its being his duty to make the sacrifice
demanded by the candidacy, and said
that politics had no charms for him ex-
cept in his position as a private citizen.

The United Press Service Commended.

PITTSBURG, Pa., June 24.—The Leader
this afternoon says editorially: "A
great measure of the excellent reports of
the proceedings of the Chicago conven-
tion which appeared in the Leader is
due to the United Press, the news ser-
vice furnished by which organization is
second to none. In accuracy, complete-
ness and descriptive perfection these re-
ports were models."

Henry Ward Beecher Honored in His Grave.

BROOKLYN, N. Y., June 24.—To-day
is the seventy-ninth anniversary of the
birth of Henry Ward Beecher, and the
bronze statue of him in the city hall park.
The grave of the great preacher on Ocean
Hill Greenwood, was bedecked with
flowers, and some admirers laid flowers
at the foot of the statue.

Forty-Five Years in the Army.

WASHINGTON, June 24.—Adjutant-
General John C. Kelton, of the United
States army, was to-day placed upon his
retired list of the army, having reached
the age of 64 years. General Kelton en-
tered the service as a cadet July 1, 1847,
making nearly forty-five years service in
the army.

AT FESTIVE MOREHEAD.

A DELIGHTFUL SESSION OF THE ASSEMBLY, ENJOYED BY THE TEACHERS.

Prominent Educators From Several
States Present—The Program
Carried Out to the Letter.

MOREHEAD CITY, June 24.—The pro-
gram is being carried out to the letter
and the exercises were never more inter-
esting. People arriving on every train.
It is pleasant to see how many of our
public men are here enjoying the assem-
bly, meeting old friends and making
many new ones. Truly the Teachers'
Assembly is becoming the great gather-
ing of North Carolinians. Among the
teachers present are seen representatives
of Virginia, Tennessee, South Carolina,
Georgia, Florida, Washington City and
Alabama. One of the most pleasant
welcome is that which the old students
of the University are giving to Professor
Brown, of California, who was a teacher
in the University about fifty years ago.
He is a very dignified and handsome
man and is indeed enjoying the
Assembly. There are a great
many young ladies and gentlemen here
and the grand hall on each night
when filled for the exercises is
a brilliant affair. Every body seems
to be enjoying the Assembly more than
ever before. There is a spring and de-
lightful sea breeze blowing night and
day and it is hard to realize that the
weather in the interior is so warm. There
have been made many desirable im-
provements in the bath houses
which add to the comfort and
enjoyment of all who revel
in the surf or sport in the sound.
Indeed there is no place that can so
quickly restore tired nature as a trip to
the seaside, where new life, inspiration
and recreation is enjoyed every moment
of the time.

Congressional.

WASHINGTON, June 24.—The House
was in session just ten minutes and ad-
journed until to-morrow, Mr. Watson
(F. A.) of Georgia, making the point of
no quorum and preventing an adjourn-
ment until Monday.

Suicide in Quick Order.

BOSTON, June 24.—At 9 p. m. an un-
known man about 25 years of age en-
tered Carter Green's store on Washing-
ton street, selected a revolver and shot
himself dead.

Cleveland Street Car Strike Still On.

CLEVELAND, Ohio, June 24.—The
strike on the Broadway and East Cleve-
land street railways continues and the
present indications are that a settlement
is not very near.

Raleigh Newspapers.

RALEIGH, N. C., June 24.—From in-
spection in part, and from information
received from one of our news dealers, I
think that our daily newspapers, the
STATE CHRONICLE and the NEWS AND
OPINION ought to puff themselves not a lit-
tle and be permitted to blow their own
horns loud and long without being
thought in the least vain for doing so, in
that each of them came out early Thurs-
day morning with the news of Mr. Cleve-
land's nomination, while neither the
Baltimore, Washington or Richmond pa-
pers of that day which reached here con-
tained it. Even the paper which prides
itself upon its progressiveness and very
justly so—the New York World—does
not, I understand, contain said news in
its issue of the 23d which reached here
to-day. One enthusiastic gen-
tlemen not too easy to please—after
buying a Northern daily and finding
himself stuck, as he did not find in it
news as late as our city papers had—
claimed that he had about concluded
that the NEWS AND OPINION and the STATE
CHRONICLE were the only morning dailies
in these United States containing the
news of Mr. Cleveland's nomination.
Then ought we not to be justly proud of
our papers and help to support them in
every way we can? We should, too,
properly appreciate the services of the
managers of our telegraph offices and
their assistants on occasions of this kind.
Thursday morning found them at their
posts of duty after hard work all night,
and Pat. Hughes got there with both
feet, as the writer well knows.

[We thank our friend for his compli-
ment. The inhabitants of Raleigh shall
have as late news as the inhabitants of
any city, and have it as early.—Ed.]

Stevenson for Vice-President.

The nomination of Adlai E. Steven-
son, of Illinois, for Vice-President will
meet the enthusiastic approval of the
democratic party throughout the country,
for if there ever was a democrat in whom
there was neither variableness nor shadow
of turning, Stevenson is the man. There
are no flaws in his record in this respect.
But Col. Stevenson has other as well as
political qualities that render his selec-
tion for second place on the ticket pecu-
liarly appropriate and commendable.

He is a lawyer of excellent standing
and long practice; he has had six years'
experience as a representative in Con-
gress; he discharged efficiently the duties
of an important office under Mr.
Cleveland; he is an honest, plain man
of the people, who is exceedingly popular
wherever known, and who cannot fail to
give strength to the ticket. In any con-
tingency that might happen necessitat-
ing his assumption of the Executive
office, he would be found fully equipped
for the responsibility.
The ticket as now completed is em-
phatically able and respectable. If elected
it will assure to the country a safe and
