Failure of Herman Schaeffaer & Co.

CHICAGO, June 1.-Herman Schaeff-

ner and Co., private bankers at No.

100 Washington street, made an as-

signment in the county court this

morning. No statement of the af-

fairs of the bank have been filed

with the application for the re-

ceiver. It is stated that the credi-

tors of the bank shall loose nothing.

Attorney Lavy Mayer, representing

the assignee stated this morning

that even in the event of forced

liquidation, there will be enough

money to meet all liabilities. The

firm was considered one of the

most solid private banks in the

country. It did a small deposit

and brokerage business, and its

greatest business was commercial

brokerage business with banks all

time can well afford to be without. The

Review of Reviews sent as its special

representative to Chicago, in May, Mr.

Ernest Knaufft, a well known art

contributed by Mr. Knaufft serves as

principal conven ions and gatherings to

be held through the summer and autumn

of 1893, particular attention being

given to the forthcoming World's Con-

gresses and other gatherings which will

be affiliated with such congresses at

Chicago. An especially timely feature

of the number is an article on transit

facilities in Chicago and on the fair

grounds. It has been specially prepared

for the Review of Reviews by Mr. Henry

H. Windsor, who is editor of the Street

The leading articles in this number of

the Review have a wide range of inter-

est, and the editorial department, the

Progress of the World, will attract at-

tention from its lucid discussion of the

United States and other countries. This

number of the Review is illustrated

with perhaps even more pictures than

usual, the number exceeding one hun-

dred. The Review of Reviews succeeds

each month in securing the verdict "in-

"indispensable" as well as any of its

ONE MORE SUNDAY AT THE WORLD'S FAIR.

final Action Will be Taken by the Court on Thursday and in the Meantime the Gates of the Great Exposition Will be Open To-day.

By Southern Associated Press. CHICAGO, Ills., June 3.-The World's Fair will be open at least one more Sunday, despite the proceedings that have occupied the attention of the United States Court during the present week. Judge Woods announced this morning that there were several law points involved in the arguments that required careful attention and consideration, and that in consequence the Court had decided to take no immediate action. All parties to city yesterday for the purpose of the case were instructed to appear negotiating with banks for a loan in Court at 10 o'clock Thursday morning when a decision will be rendered. The Court added that pending the rendering of the final decision, it would take no action on any of the side motions submitted contractors is but \$4 ,000, which in-State at present has no funds to it. This puts a quietus on the wherewith to meet the exingency, motion of attorney Cleland, who was representing the Illinois Sabbath Association for a temporary injunction restraining the Directors from opening tomorrow, and which The Review of Reviews for the month | it had been intended to press on of June is a number which nobody who new grounds had the decision been intends to go to the World's Fair at any | rendered today against the Government. As soon as the Court's announcement had been made, it at once adjourned for the day and the teacher of New York, who is also a audience filed out. The N. and W. Railroad Company. By Southern Associated Press.

PHILADELPHIA, June 3.—President F. J. Kimball, of the Norfolk and Western Railroad, this morning made the following official state ment: "Regarding the legal proceedings against the Norfolk and Western Railroad Company at Charleston, W. Va., brought by the assignee of Thompson Brothers, contractors, against our Company, we have had no notice whatever of any suit having been brought against our Company Thompson Brothers had a contract upon our extension and at the completion of their work our Company owed them about \$29,000, but before settlement could be made, Thompson Brothers failed and made an assignment. When some of their creditors attached the amount due them in our hands, thus preventing our Company from making settlement with Thompson Bros. Our Company had no knowledge whatever of the proceedings taken at Charleston, except as appears in newspaper reports. Our Company is prepared at any time to deposit the amount in dispute with the court for distribution. Of the total expenditure of \$7,000,000 upon the Ohio extension, the amount still due cludes \$29,000 due to Thompson

President Chas. E. Taylor's Address. We publish below the address, which President Chas. E. Taylor, D. CRUEL MURDER AND ROBBERY D. of Wake Forest College had prepared for the late Senior Class, but the approach of a storm rendering it necessary that the exercises be A Husband Shot and Killed and His made as brief as possible it was

Young Gentlemen :-- The June number of The Forum, which has just reached us, contains a remarkable article from the pen of Presihour this morning three American dent Thwing, of Ohio. In order to "Crooks" crossed over from Ver. estimate the comparative chances of eminent success in life of the men who have graduated at college, and of those who have not, he has taken the trouble to examine in detail the six volumnes of Appleton's

The results of his investigation seem to me to be very remarkable. One of the more than 15,000 men who have been deemed worthy of mention in this collection, thirtyfive per cent have been collegemen. His estimate attaining to eminent distinction, are in proportion of one to ten-thousand. The chances of the college man are one in forty, or two hundred and fifty times as great.

I have ventured to call your attention to these results, not to flatter you with hopes which may be delusive, not to stimulate any ambition which may be unworthy, and | men who constitute the Alumni of least of all, to foster a pride which Wake Forest. Never did the col-RICHMOND, Va, Mrs. Jefferson would surely be foolish and unholy, lege seem to me to be so rich and Davis and party left here at noon but with the hope that, as you pon- strong as when, at the banquet last today for New York via Washing- der them, you may see how wide is night, I looked around and saw the the pathway which opens before you sons who had made their annual Washington, June 1.—Mrs. Jef- -a pathway of eminent usefulness pilgrimage to greet each other of the facts, a cold and careful cal- buildings all consumed, were our culation, that the chances of the men who have really availed themselves of the opportunities which a college offers are out of all proportion to the chances of the men who have not enjoyed these privileges. Your almer mater will have the right to expect that you will be leaders in the world of useful thought and useful action.

The results of the investigations rope. Were this all, I should not to which I have just alluded at first amazed me. That in this comparatively new country, the very paradise of the so-called, self-made man, carnate Son of God. For after all, and which, for the first century of its history, afforded few facilities for college training, that there should be such a large ratio of college-bred men to others among of God for the perfection of individthose who have obtained the recognition of mention in this great cyclopedia, suggests at first thought that some mistake must have been made either in the collection of the facts or in the inference from them And yet, when I remember what

liberal culture is, what it sims to do Druggists, Everything Had Been and often accomplishes, surprise Tried in Vain-Diabetes, Indigestion, and incredulity begin to vanish. | swer that.
