CITY IN BRIEF.

The auction sales at Smith's draw large crowds at night. Revenue collectors seem to grow smaller and smaller in number. Subscribers will please add to the telephone list J. D. Riggan, No. 125. Next Monday is a legal holiday, being Labor day. It is according to an act of the last Congress. The Sheriff of Person county today brought one convict to the penitentiary. He gets a year for the theft of a horse. Mr. L. L. Pritchard, of Wilmington, has been employed as General Superintendent of the Interstate Telephone and Telegraph Lines. Much interest centers in the celebration of the nuptials of a prominent young banker of this city to one of the belles of Halifax county, which will occur at no far distant date. An organ recital was given last night at Edenton street Methodist church by Mr. Will H. Jones and Miss Alice Jones supplemented the programme with contralto solos. Quite a number of protracted meetings are going on in Wake county and in the vicinity of Raleigh. Revivals are being conducted at Sumner, three miles from the city, Garner, Roan Springs and Mt. Vernon. Mr. Dave Rosenthal, the clothier, is having his store refitted inside. The walls will be handsomely papered and the wood work repainted. Work began yesterday. Judge Spier Whitaker sent into the Press-Visitor office today one of the finest water melons we have seen this season. It was grown at the Judge's place south of the city and is a beauty. Those who want first class buggies and horses, carriages and all kinds of stylish turnouts should call on the well known livery stable of W. A. Upchurch. See advertisement elsewhere. A gentleman who resides in the vicinity of the street car power house says when the whistle blows early in the morning, babies cry, women lose their temper, men do worse and dogs howl. The gold medal of the Governor's Guard was lost between Mr. Woolcott's residence on Newbern avenue and King's drug store. Finder will be rewarded by returning same to this office. It is pretty certain that a drug store will occupy the corner where H. F. Smith & Co's cigar store was conducted. Two or three local merchants are after it, as is also one of town druggist. Mr. Wm Cox, of White Oak township, qualified before Clerk Young as guardian of the person of his brother's children Hubert and Louis Cox today. Mr. Cox it will be remembered was killed in a railroad accident near Sanford last year. The incorporators of the new Alliance shoe factory, the Farmers' Manufacturing Company at Cary are: Thaddeus Ivey, J. W. Denmark, Cyrus Thompson, W. H. Worth, John Graham, A. D. K. Wallace. The capital stock is \$50,000 and they begin operations on \$3,000. The lateness of the appearance of the Press-Visitor for the first two days was unavoidable on account of the tedious and troublesome details of the consolidation of the two papers. We hope that all our subscribers will overlook the delay and now that we have gotten in good running order the paper will come out regularly on time. Elsewhere today appears the advertisement of Edgerton's Scotch Snuff, a brand which has been well known and justly celebrated for over fifty years. It is extremely popular here and elsewhere in the State and its reputation and popularity are growing year after year. Mr. J. M. Ray & Co. Last June Dick Cr wford brought his twelve-month-old child, suffering from infantile diarrhoea, to me. It had been weaned at four months old and had always been sickly. I gave it the usual treatment in such cases but without benefit. The child kept growing thinner until it weighed but little more than when born, or perhaps ten pounds. I then started the father to giving Chamberlain's Colic, Cholera and Diarrhoea Remedy. Before one bottle of the 25 cent size had been used a marked improvement was seen and its continued use cured the child. Its weakness and puny constitution disappeared and its father and myself believe the child's life was saved by this remedy. J. T. Marlow, M. D., Tamara, Ill. For sale by J. Hal Bobbitt Druggist.
