BUSINESS SUITS

Are in order with the advent of autumn activity. No clothing suits business as all unless it fits neatly and perfectly. No garment fits properly unless it's made to order. That's the first axiom of dress, and it doesn't need proving. It's as plain as the multiplication table that our made to order suits are unequalled in town.

YOU RECOGNIZE THAT

Every time you see one of our suits, which are exactly what they should be in every particular. The logic of facts is unanswerable.

IF YOU

Haven't time this week to look at our stock of Overcoats it doesn't matter. The stock is so large that if we would sell one to every visitor to the Fair we will still have enough left to suit you. Don't fail to see our Kersey Overcoat we sell for \$4. The \$6 Ulsters, long cut with wide collars.

We Have

We have a line of blue and black Overcoats in Cheviot and fine quality Kersey, the latter are long with wide velvet collar. Fit perfect—one price—\$10. See how much less than \$20 your tailor would charge, or how much less than \$15 the ready-made clothing.

You Can

Save money buying your boy's Overcoat here. Our line at \$5 is better than what you buy elsewhere at \$4 and our variety much larger, and it is so all the way through—sure you can be suited here.
