

LETTERS TO LITTLE JAMES C. HIRSHON.

Farwell sweet boy, thy precious form beneath this oak we lay to rest!

But we will still remember thee, though thy last form we cannot see.

While standing 'round thy little grave with resignation let us say,

Thy will be done—our Father gave! Our Father took his child away.

His own, it was his right to claim And ever blessed be his name!

It is a harmless substitute for Paregoric, Drops, Soothing Syrup, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children. Castoria is so well adapted to children that I recommend it as superior to any prescription known to me. H. A. ARONSON, M. D., 111 So. Oxford St., Brooklyn, N. Y. Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it. THE CONNECTICUT MUTUAL Life Insurance Comp'y. Sells plain life insurance, as protection to the family, creditors or one's old age, and asks a careful examination of its clear and equitable contracts, with their unequalled guarantees in figures on the policy, giving true life insurance at its Lowest possible Cost.

With Perfect Security. This company has been doing business in this State over twenty-eight years, and its policy holders are its BEST FRIENDS. The Connecticut Mutual has no speculative feature, extension forfeitures or intricate plans, entitling for the company's advantage, nor the incontestable clause, admitting rescals at the expense of its honest members, but if any happen to get in, it gives them their money back, all stated in the contract. The

3 Per Cent Reserve. We will be pleased to have the ladies call and look at our stock. Every one will receive prompt and polite attention. Miss Maggie Reese, 309 Fayetteville Street.

ECONOMY. May be necessary in many ways when dollars are scarce and waste many, but it is not desirable to practice it in the purchase of food, which is life. Below a certain standard food imperfectly nourishes; up to that standard it costs a reasonable price. We never want more than a reasonable price for our Groceries.

RAPID SALES. Give our customers the benefit of close margins. We never keep anything that is not the best of its kind, and we only want a fair profit on what we invest in it. CHOICE GROCERIES. Always in stock and promptly delivered when ordered. THOS. PESCOD.

THERE IS JUST ONE REASON

Why this store is just right for your economical purchasing—that is, BECAUSE WE BUY AND SELL FOR CASH. Our increase of business strengthens this statement and the goods themselves CLANCH IT.

SAY,

Talking about furniture and furniture stores, why Royall & Borden,

North Carolina's largest dealers and only manufacturers, have stores from Maine to Mexico—"all on paper." But here in North Carolina they have a real FURNITURE FACTORY, larger size, employing 182 men, running day and night to fill orders. Also have

CHAIR AND MATTRESS FACTORY. At the same place, where we can make any kind of Mattress you want. Our profits are too small to open any more branch houses at present. But we have one each in Goldsboro, Raleigh and Durham full of the best and cheapest line of

FURNITURE AND NOVELTIES ever shown at either place. We cannot place our bargains on paper, but simply desire to inform you through the Press-Visitor that we are here and ask you to inspect our stock and compare our prices with any house.

We leave the balance with you. We gladly show any one through our store, whether they buy or not. Open at night.
