Change of Schedule on the Southern

The change of schedule on the Southern Railway goes into effect November third. It was rumored here today that the morning train running between Greensboro and Goldsboro would be discontinued and the old schedule put into effect. This rumor could not be verified at the offices of the Southern.

The Seaboard Establishes an Up-town Ticket Office.

Mr. H. S. Leard, the clever and hustling agent of the Seaboard in this city, has made arrangements for the location of a ticket office in his headquarters up town. Mr. Leard has been making an effort ever since his arrival here to establish an up-town ticket office for the accommodations of the patrons of the road. None but coupon tickets will be sold--that is to say local tickets from points like Weldon, Henderson and Hamlet will not be sold. The arrangement will prove popular as it will enable the public to purchase tickets at any period during the day. Tickets will be on sale beginning tomorrow.

Mr. Blount's Rhapsody.

The following is taken from the Wilson Mirror. The charming young lady to whom it was written is now visiting at Mr. W. C. Stronach's: "The train at the depot on Tuesday presented a radiant scene of rarest loveliness, for a number of beautiful maidens were en route to the State Fair at Raleigh. Among them was Wilson's prettiest and most bewitching maiden, Miss El Green, and all who saw her were charmed with the exquisite tints of her lovely face, the graceful carriage of her faultless and symmetrical figure and the transporting wistfulness of those love creating smiles in which a hundred Cupids float."

Trees in Bloom Again.

Mr. J. R. Barclay was in the Holly Springs section of the county recently. On his return to the city he brought back a number of branches of cherry trees in full blossom. Mr. Barclay says a great many cherry and other trees are blossoming as in the spring.

Y. M. C. A. Reception.

On account of the very threatening, inclement weather the reception planned for this evening is postponed until Tuesday evening, November 5th. The same program will be considered as arranged for that evening. The invitations extended for tonight will hold good on the evening above named.

Marshall Carroll III.

His many friends will regret to learn that Marshall O. J. Carroll is quite ill at Newbern, whether he went to hold the Federal Court. Mr. Carroll was taken with a congestive chill night before last and his condition at that time was almost alarming. Last night Mr. Clifford Carroll received the intelligence that his father was better. We trust that he will have a speedy recovery.

The New Southern Office in Charge of Mr. Munson.

The new freight and passenger office of the Southern Railway will be established here will be opened tomorrow, November 1st, with Mr. John B. Munson in charge. Mr. Munson has secured the office in the rear of the Citizens' Bank on Martin street and is having it nicely fitted up for occupancy. He will be glad to receive the friends of the Southern at the office when it is opened.

Dissolution of Copartnership.

The firm of Barbee & Thompson is this day dissolved by mutual consent. Mr. Alf A. Thompson retiring. The business will be continued by Mr. E. B. Barbee.

Under the advice of my physician I have concluded to retire temporarily from business and beg to cordially commend Mr. E. B. Barbee, who continues the business of Barbee & Thompson, to the patrons of the old firm. My connection with Mr. Barbee is severed with sincere regret. Not only as partners, but friends, our relations have been, without exception, thoroughly cordial. With every facility for conducting the business, an entire knowledge of the wants of the trade, and a fixed intention to give value received, there is every reason to assure those interested that dealings with Mr. Barbee will be entirely satisfactory.

I desire to thank our patrons for past favors and solicit a continuance of the same with the assurance that I will do my best to please them.
